DISCUSSION POINTS:

This study session presentation is an update on Phase 2 of the Advancing Adams long range planning campaign. Advancing Adams encompasses the Comprehensive Plan, Parks Open Space and Trails Master Plan (POST) and Transportation Master Plan (TMP) and envisions the future of Adams County for the next 20 years. Staff will provide the BOCC with a Phase 2 overview with a PowerPoint presentation and go through a scenario planning exercise with them for feedback.
Single bullet points summarizing the pertinent information Commissioners will be informed of, or the action needed from the Commissioners.

What is Scenario Planning?
**What and Why?**

With immense population growth, how does the County want to grow?

**Objective**

Develop land use, transportation, and open space scenarios that proactively plan for the anticipated **192,000 new population growth by 2040.**
Each Scenario will:
- show a different growth pattern – three potential futures
- accommodate the 192,000 anticipated population growth in unincorporated Adams County
- incorporate land use, housing, economics, parks, open space, trials, and transportation
Scenario Planning in Adams County
Scenario Planning In Adams County

Objective

Each scenario will identify and allocate space for Adams County’s future households. The ways in which growth will be absorbed will vary between each scenario. We will work with Adams County staff to determine how much growth may be allocated to municipalities versus unincorporated areas in each scenario.

Scenario A: **Stay the Course** (Current Zoning)

Scenario B: **Many Focused Centers** (Many small nodes)

Scenario C: **Larger Areas of Concentrated Development** (Fewer, denser nodes)
**Objective:** Utilize future population projections to determine housing stock diversity and supply needs.
**Objective:** Identify an approach and inputs that demonstrates transportation implications of land use alternatives

Scenario Planning Exercise

Scenario A: Stay the Course (Current Zoning)
- Focus on single family neighborhoods
- Driving is the predominant transportation mode
- Maintain existing park service levels

Scenario B: Many Focused Centers (Many small nodes)
- More dense, mixed-use neighborhoods
- More frequent transit and on-street bike lanes
- Expanded regional parks and trails

Scenario C: Larger Areas of Concentrated Development (Fewer, denser nodes)
- Concentrates residential density in key centers
- Frequent transit and protected bicycle infrastructure
- Pocket parks and plazas develop in activity hubs

(j) Each household within a designated permit parking District will be given two (2) visitor permits to be displayed as needed. The use of visitor permits will be limited in accordance with policies adopted by the Department. The policies will be available on the Adams County website. (c) The penalty assessment notice shall be a summons and complaint containing the license plate number and state of registration of the vehicle, specification of the offense and applicable fine, and a requirement that the alleged offender pay the fine or appear to answer the charge at a specified time and place. A duplicate copy of the notice shall be sent to the Clerk of the Adams County Court in the 17th Judicial District.

(d) If the owner of the vehicle chooses to acknowledge their guilt, they may pay the specified fine in person, online, or by mail at the place and within the time specified in the notice. If they choose not to acknowledge their guilt, they shall appear in court as required in the notice.

SUBJECT: DA Staffing Request/COVID Backlog

OFFICE/DEPARTMENT: District Attorney's Office

CONTACT: Brian Mason

FINANCIAL IMPACT:

SUPPORT/RESOURCES REQUEST: 10.5 FTE (9.5 attorneys, 1 paralegal)

DIRECTION NEEDED: Consideration of budget amendment to allocate 10.5 FTE to address COVID backlog of cases.

RECOMMENDED ACTION: Approval

DISCUSSION POINTS:

- The courts have a backlog of 700-plus cases after impacts of COVID closures and protocols in 2020 and early 2021.
- Requesting 9.5 attorney FTEs (including one existing 0.5 FTE to full FTE) for: 1 Chief Deputy District Attorney, 5 Senior Deputy District Attorneys, 3 Deputy District Attorneys and conversion of 1 current 0.5 FTE Attorney position to 1 full FTE. Also requesting 1 FTE for a paralegal.
- Budget/Finance Director Nancy Duncan will provide cost information.
- District Attorney Brian Mason will present this request.
STUDY SESSION ITEM SUMMARY

DATE OF STUDY SESSION: June 29, 2021

SUBJECT: Biweekly Payroll Transition

OFFICE/DEPARTMENT: Budget & Finance Department

CONTACT: Nancy Duncan, Budget & Finance Director

FINANCIAL IMPACT: The financial impact varies depending on option chosen. This will be included in the 2022 Adams County Budget.

SUPPORT/RESOURCES REQUEST: N/A

DIRECTION NEEDED: Decision whether to implement any of the options for biweekly pay lag.

RECOMMENDED ACTION: The Board of County Commissioners has an opportunity to review options around moving to biweekly payroll in 2022.

DISCUSSION POINTS:

Transitioning to biweekly pay will result in a two-week gap for the first pay period of 2022 (January 1 – 14). The first official pay period will end on January 14. Those hours will be paid on January 28.

The following options are given as considerations to help employees transition from Monthly to biweekly pay and help bridge the two-week gap in pay.
Biweekly Payroll Transition
June 29, 2021
Background:
In August 2020, the Board of County Commissioners provided county management the approval to move forward and transition from monthly to bi-weekly pay beginning January 2022.

Transitioning to biweekly pay will result in a two-week gap for the first pay period of 2022 (January 1 – 14). The first official pay period will end on January 14. Those hours will be paid on January 28.

The following options are given as considerations to help employees transition from monthly to biweekly pay and help bridge the two-week gap in pay.
Consideration 1:
On January 14, 2022, the AEI payment could be paid as a lump sum. This amount, if equal to last year – 4.2%, would be just over what the bi-weekly salary amount of 2021 would have been. Going forward, since the AEI had been paid as a lump sum in advance, the rest of 2022 would be paid at the 2021 biweekly salary amount. At the end of 2022, the full salary amount paid would be the basis for any salary adjustment in 2023. The county would pick up the estimated increased medical costs of 5%.
