Adams County News and Information

Adams County Seeking Input on ADA Transition Plan

As required by Title II of the Americans with Disabilities Act (ADA) and 28 CFR 35.105, Adams County is developing a transition plan to improve access compliance to pedestrian facilities within the county's jurisdiction. Alfred Benesch & Company is assisting county staff in developing the transition plan.

Existing pedestrian facilities within the public right-of-way are currently being inventoried and analyzed to gain relevant data. In conjunction with this effort, Adams County would like public input to help identify specific areas of concern. A brief survey to provide the desired input can be accessed through the county's website, www.co.adams.co.us (search keyword ADA), or at www.surveymonkey.com/r/adamsadatransitionplan.

This brief survey will take approximately five minutes to complete and will be available through September 30, 2015. A public open house will be held on Thursday, Aug. 6, 2015, starting at 5 p.m. at the Adams County Government Conference Center, Platte River Room B and C, 4430 South Adams County Parkway, Brighton, Colorado 80601. Interested parties will learn about transition plan progress and will have the opportunity to visit with project staff and provide input on areas of concern. Findings from data collection and input provided will help develop the county's ADA Transition Plan.

Survey and transition plan information can be made available in alternative accessible formats upon request. For information about obtaining an alternative format, contact Jess Hastings at Alfred Benesch & Co. 7979 E. Tufts Avenue, Suite 800, Denver, Colorado 80237, 402.479.2493, or jhastings@benesch.com.
