 - 1.2. **Emergency Services:** In the event the Adams County Board of County Commissioners declares an emergency, the County may request additional services (of the type described in this Agreement or otherwise within the expertise of the Contractor) to be performed by the Contractor. If the County requests such additional services, the Contractor shall provide such services in a timely fashion given the nature of the emergency, pursuant to the terms of this Agreement. Unless otherwise agreed to in writing by the parties, the Contractor shall bill for such services at the rates provided for in this Agreement.
- 2. RESPONSIBILITIES OF THE COUNTY:** The County shall provide information as necessary or requested by the Contractor to enable the Contractor's performance under this Agreement, as referenced in Section 1 above.
- 3. TERM:**
 - 3.1. **Term of Agreement:** The initial term of this Agreement shall be for one (1) year from the date of execution, unless sooner terminated as specified elsewhere herein.

In the event that funds become unavailable, as determined by the County, the County may immediately terminate this Agreement or amend it accordingly.

5. **INDEPENDENT CONTRACTOR:** In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts, and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

Adams County is an equal opportunity employer.

6.1. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

7. **INDEMNIFICATION:** The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors' performance or failure to perform pursuant to the terms of this Agreement.

Our licensed clinicians recognize that no one practice model is a universal fit for every therapeutic need. Clinicians use multi-dimensional techniques, incorporating evidence based & multiple models of practice to provide individual, group, family and experiential therapy to address trauma, anger management, social skills, positive self-expression and many other issues which prevent young people from functioning in healthy ways.

While in our care, all youth receive a balance of intensive clinical services and interventions focused on community-based programming, educational services and opportunities for normalizing experiences. Staff members strive to balance nurturing relationships while providing guidance and accountability.

Residential treatment programming is designed to cultivate success when kids leave our program and transition into the community. Many kids in our care continue to receive day treatment, in-home services, outpatient therapy or other non-residential services to ensure successful transitions to less-restrictive environments.
