THIS AGREEMENT ("Agreement") is made this 10th day of January 2016⁷, by and between the Adams County Board of County Commissioners, located at 4430 South Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," acting in its capacity as the Adams County Board of Human Services, and The Link Juvenile Assessment Center, located at 8461 Delaware, Thornton, CO 80260 hereinafter referred to as the "Contractor." The County and the Contractor may be collectively referred to herein as the "Parties".

The County and the Contractor, for the consideration herein set forth, agree as follows:

1. SERVICES OF THE CONTRACTOR:

(12 CCR 2509-4), pursuant to Section 24-1.9-101 et seq., C.R.S. and in compliance with the state rules and County plan, policies, and procedures and CDHS Volume VII 7.303.26.

1.2 Emergency Services: In the event the Adams County Board of County Commissioners declares an emergency, the County may request additional services (of the type described in this Agreement or otherwise within the expertise of the Contractor) to be performed by the Contractor. If the County requests such additional services, the Contractor shall provide such services in a timely fashion given the nature of the emergency, pursuant to the terms of this Agreement. Unless otherwise agreed to in writing by the parties, the Contractor shall bill for such services at the rates provided for in this Agreement.

2. RESPONSIBILITIES OF THE COUNTY: The County shall provide information as necessary or requested by the Contractor to enable the Contractor's performance under this Agreement.

3. TERM:

3.1. Term of Agreement: The Term of this Agreement is July 1, 2016 through June 30, 2017.

3.2. Extension Option: The County, at its sole option, may offer to extend this Agreement as necessary for up to two, one year extensions providing satisfactory service is given and all terms and conditions of this Agreement have been fulfilled. Such extensions must be mutually agreed upon in writing by the County and the Contractor.

4. **PAYMENT AND FEE SCHEDULE:** The County shall pay the Contractor for services furnished under this Agreement, and the Contractor shall accept as full payment for those services, the sum of twenty-nine thousand one hundred seventy-two dollars (\$29,172.00).

4.1. Payment pursuant to this Agreement, whether in full or in part, is subject to and contingent upon the continuing availability of County funds for the purposes hereof. In the event that funds become unavailable, as determined by the County, the County may immediately terminate this Agreement or amend it accordingly.

5. **INDEPENDENT CONTRACTOR:** In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

6. **NONDISCRIMINATION:**

Adams County is an equal opportunity employer.**

6.1.1. The Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

7. **INDEMNIFICATION:** The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's negligent performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors' performance or negligent failure to perform pursuant to the terms of this Agreement.

Failure of the Contractor in obtaining and/or maintaining any required insurance shall not relieve the Contractor from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor concerning indemnification.

Should the Contractor fail to proceed promptly in accordance with this guarantee, the County may have such work performed at the expense of the Contractor. This section does not relieve the Contractor from liability for defects that become known after one year.

10. TERMINATION:

10.1. For Cause: If, through any cause, the Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor violates any of the covenants, conditions, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

10.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party, which notice shall be given at least thirty (30) days prior to the effective date of the termination. If this Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

11. MUTUAL UNDERSTANDINGS:

DESCRIPTION OF SERVICES FROM THE LINK

1. A youth being provided services at The Link is provided a comprehensive assessment to determine risk and protective factors. In addition, the school districts have an agreed upon "Truancy Assessment" that is also administered. The information gathered assists the case manager in recommending and coordinating services specific to the individual youth and their family. Courts and school administrators also rely on the assessment outcomes for case planning. In many cases the youth and/or parent recognizes the neutrality of Link staff and are more inclined to share information with The Link case manager which results in strategic interventions and positive outcomes. The assessment process always includes the youth and parent/guardian and in some cases siblings. If it appears the agency may be able to offer them additional services, such as mentoring, referrals for mental health issues, etc. Additionally, any entity already working with the family is invited to be a part of the case planning process; this could include human services, school counselors and administrators, mental health providers and other supportive persons identified by the family.
2. The case manager assigned to the 1st Attendance Initiative will provide case management services to youth in grades 5-9 and their families that include advocacy and empowering families to be actively involved in all stages of service provision, including accessing to services. The case manager will identify and assist families in overcoming barriers that may prevent them from accessing services. The case manager will also make school visits to collaborate with school personnel and to meet with the youth to support their progress. These services are meant to be short-term, 60-90 days and focused on ensuring families are connected to longer and/or more intensive services in order to encourage increased school attendance. Youth referred for services will be identified by school personnel and the court.
3. School Team Meeting (STM) is similar in nature to Family Team Meetings facilitated at human services. These meetings occur in the school setting and are designed to bring together youth in grades 5-9, their parent/guardian, school personnel and pertinent providers already working with the family, together to develop an intervention plan and identify timelines and responsibilities for all parties in an effort to increase attendance. After the initial meeting the case manager will track the families participation and bring everyone together at an agreed upon time to review progress and reevaluate needs if necessary. These school team meetings will assist in better coordination of interventions and help to identify duplication of services. Interventions may involve assisting the family in meeting basic needs such as food and clothing, as well as making referrals for mental health services and family counseling, etc.
4. The case manager will attend truancy court weekly for 4 hours on Thursday or Friday when court or human service staff feel there are identified families that would benefit from services at The Link.
5. The flexible funding will be used to provide youth and their family's small incentives such as gift cards to restaurants or movie passes, to recognize the progress they are making. Bus passes and tutoring services may also be purchased with these funds.

Outcomes:

1. By providing direct services of case management and STM's we project families will increase their participation and follow through with recommended services 70% of the time. It is anticipated that by accessing services families will move toward stability and youth will increase their attendance. This will be measured by the total number of families referred for case management or an STM or both compared to the families that follow through with services. Participation with recommended services will be tracked by the case manager and recorded in The Link's CARE data base. The number and type of referral services recommended will also be tracked using the CARE data base.

2. Of the families accessing and participating with the recommended services we believe youth will increase their attendance 20%. This will be measured by determining the youth's current attendance vs. attendance after services are provided. The data will be provided by school personnel and assisting families in setting up and reviewing information in "Infinite Campus".
