The District Plan was created by Adams County and the City of Brighton to **preserve** agricultural land and heritage, **encourage** local food production, and **promote** agritourism.

The purpose of this toolkit is to provide schools with resources to create or enhance their Farm to School programs. In this context "Farm to School" refers to initiatives related to education, school gardens, and/or procurement.

From Colorado Farm to School Task Force

Where do we start?

- Colorado Proud School Meal Day is Wednesday, September 12, 2018. Visit the <u>Colorado</u> <u>Proud website</u> for more information.
- Adopt a Farmer program: a class "adopts" a local farmer who they correspond with through letters or videos. Visit <u>Western Dairy's website</u> for information about their program.
- Harvest of the Month program highlight inseason produce and educate students.
- Look at what products are in close proximity
 to your school district, or start with commodity
 products. Ask the Colorado Dept. of Agriculture, or
 develop a profile at co.foodmarketmaker.com.
- **Garden to cafeteria program** enable school gardens to sell to the school kitchen.

Who can help?

- Start with your school district's health and wellness department to learn more about what is already happening and how to get involved.
- School districts interested in procuring locally grown food can contact Sara Rose Foreman at the

Colorado Dept. of Education (foreman s@cde.state.co.us)

- Farmers interested in selling to schools can contact
 Wendy White at the Colorado Dept. of
 Agriculture: (wendy.white@state.co.us)
- USDA Food and Nutrition Service Farm to School Program (www.fns.usda.gov/farmtoschool); contact Andrea Northup, Farm to School Regional Lead: (andrea.northup@fns.usda.gov)
- LiveWell Colorado has a School Food Initiative (<u>livewellcolorado.org</u>)
- Slow Food Denver has a Seed-to-Table School Garden Program (<u>slowfooddenver.org</u>)
- Denver Urban Gardens helps start school-based community gardens (dug.org)
- **Edible Schoolyard** has a national edible education curriculum (edibleschoolyard.org)
- Big Green is a network of Learning Gardens and food literacy programs (biggreen.org)

What funding opportunities are available?

- USDA Farm To School implementation grant
- Colorado Garden Foundation: <u>bit.ly/2HyqF53</u>
- AmeriCorps Vista
- Federal reimbursements can be a key part of funding, including: <u>Fresh Fruit and Vegetable Program</u> (FFVP), <u>Summer Food Service Program</u>, <u>Child and Adult Care</u> Food Program (CACFP), and School Breakfast Program
- LiveWell Colorado Grants List: <u>bit.ly/2vlBDpk</u>
- Slow Food USA Grants List: <u>bit.ly/2H608Xk</u>
- Ag in the Classroom: <u>bit.ly/2H8LeFJ</u>
- Colorado Potato Industry Salad Bars into Schools video contest
- Seed donations from <u>Botanical Interests</u>

Additional Resources
