THE AURORA HIGHLANDS METROPOLITAN DISTRICT NO. 2
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District (formerly known as Green Valley Ranch East Metropolitan District No. 3) was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District's service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District was formed in conjunction with seven other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District ("AACMD") (formerly known as Green Valley Ranch East Metropolitan District No. 1), The Aurora Highlands Metropolitan District Nos. 1 and 3 ("TAH Nos. 1 and 3") (formerly known as Green Valley Ranch East Metropolitan District Nos. 2 and 4), Green Valley Aurora Metropolitan District No. 1 ("GVA No. 1") (formerly known as Green Valley Ranch East Metropolitan District No. 5), and Green Valley Ranch East Metropolitan District Nos. 6-8 (collectively the "Districts"). The District's service area is located in Adams County, Colorado, entirely within the City. The Court Order granting the District's name change to The Aurora Highlands Metropolitan District No. 2 was recorded on August 16, 2017.

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District's general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized in 2004 for all services and improvements was \$2,405,000,000. On November 8, 2016, the District voters approved a mill levy increase of up to \$4,000,000,000 annually to pay, in part, the District's general costs of operations and maintenance. The total debt authorized in 2016 for all services and improvements was \$52,000,000,000. The District's current service plan limits the total debt issuance to \$200,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the public improvements, and the repayment of the associated debt.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Section 29-1-105, C.R.S, using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency Reserves required under TABOR have been provided.

Services Provided (Continued)

AACMD, the City of Aurora and Adams County have established the Aerotropolis Regional Transportation Authority (“ARTA”), pursuant to an intergovernmental agreement entered on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Beginning in 2019, ARTA will impose an ARTA Mill Levy on the District. The District will deposit revenues from the ARTA Mill Levy with AACMD to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements (“ARI”) Mill Levy and will deposit ARI Mill Levy revenues with AACMD to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

On November 21, 2019, the District, AACMD, TAH Nos. 1 and 3, and ATEC Metropolitan District Nos. 1 and 2 (“ATEC Nos. 1 and 2”, and collectively with the District, AACMD and TAH Nos. 1 and 3, the “CAB Districts”) formed The Aurora Highlands Community Authority Board (“CAB”) pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. It is anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operation of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property Taxes ARI

ARTA imposes a mill levy of 5.000 mills for payment of the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements as contemplated by ARTA (see “Services Provided” above). The District has agreed to levy an additional 0.556 mills due to a change in calculating the residential assessed valuation.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget at the mill levy adopted by the District, which includes the ARI mill levy.

Expenditures

Administrative Expenditures

The District is a member of the CAB. The CAB will provide all the administrative and operating expenditures, which include the services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses.

Intergovernmental Transfer CAB

On June 30, 2020, the CAB and the CAB Districts entered into the Mill Levy Policy Agreement. Pursuant to the Mill Levy Policy Agreement, the District agrees to ensure that the mill levies determined by the CAB each year are imposed and transferred to the CAB in accordance with the Residential Capital Pledged Agreement (described below).

On June 30, 2020, the District entered into the Residential Capital Pledge Agreements (the RCPA) with the CAB and Zions Bancorporation, National Association, in its capacity as trustee under the 2020A and 2020B Bonds Indentures ("the Indentures"). On October 28, 2021, the RCPA was terminated as a part of the 2021 Series A and 2021 Series B Bond issuances, and the Revenue Pledge Agreement was approved (the "RPA"). Per the RPA, the District agrees to pay such portion of their operations and financing costs as may be funded with the District's Pledged Revenue and Subordinate Pledged Revenue to the extent available to the Districts pursuant to the provisions of the RPA and the Amended Mill Levy Policy Agreement.

Intergovernmental Transfer ARTA

Per the Intergovernmental Agreement Regarding Imposition, Collection and Transfer of ARI Mill Levy, AACMD requires that the District transfer all revenues derived from ARI Mill Levy to ARTA within sixty (60) days of the District's receipt.

Debt and Leases

The District has no outstanding debt. Additionally, the District has no operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since the District has no TABOR eligible revenues, no Emergency Reserve has been provided.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
