

NOTICE OF PUBLIC COMMENT HEARING

Regarding:

**Phillips 66 Pipeline LLC
Denver Terminal - Adams County
Title V Operating Permit (96OPAD160)**

SUBJECT:

The Colorado Air Quality Control Commission will hold a public comment hearing to elicit and record comments on a proposed Title V Operating Permit for the Phillips 66 Pipeline LLC (Denver Terminal - Adams County) located at 3960 East 56th Avenue, Commerce City, Colorado.

Section 25-7-114.5(6)(b) of the Colorado Revised Statutes provides an opportunity for any interested person to provide comments on the sufficiency of the proposed operating permit and accompanying documents and whether the permit application should be approved or denied. WildEarth Guardians requested this public comment hearing on October 9, 2022. Comments from the public are invited regarding the draft operating permit for the Title V Operating Permit for the Phillips 66 Pipeline LLC (Denver Terminal - Adams County). Instructions for providing public comment is provided within this notice and must be followed so the comments may be properly received and recorded into the hearing record.

All required documents for this public comment hearing including this Hearing Notice can be found on the Commission website at: [112122 -- Phillips 66 Pipeline Public Comment Hearing](#)

Notice of Public Comment Hearing can also be viewed at the Adams County Clerk's Office at 4430 South Adams County Parkway, 1st Floor Suite E2400, Brighton CO 80601, Phone: 720-523-6020 during regular business hours. The draft operating permit and accompanying documents (i.e. Technical Review Documents) may also be viewed at the offices of the Colorado Department of Public Health and Environment, Air Pollution Control Division at 4300 Cherry Creek Drive South, Glendale, Colorado 80246 or be found on the website at: <https://cdphe.colorado.gov/apens-and-air-permits/air-permit-public-notices>

PARTY STATUS:

This is not a rulemaking hearing and the Commission will not consider party status requests.

HEARING SCHEDULE:

The Air Quality Control Commission hearing will be held virtually over Zoom, in accordance with guidance from the Colorado Department of Public Health and Environment and the Centers for Disease Control and Prevention, related to the COVID-19 pandemic. There will be no in-person participation. For more information on virtual meetings, please refer to the Air Quality Control Commission website <https://cdphe.colorado.gov/aqcc>. These hearings will be recorded.

DATE: November 21, 2022

TIME: 5:30 - 7:30 p.m.

The public comment hearing will begin at 5:30 p.m. and the hearing will conclude by 7:30 p.m. or earlier if all who wish to speak have been heard.

Meeting Registration Link: [AQCC: Phillips 66 Pipeline Public Comment Hearing](#)

Please use the following link to register to provide public comment: [Phillips 66 Pipeline Public Comment](#)

IMPORTANT: The purpose of the public comment hearing is to solicit comments regarding the proposed operating permit and its supporting documents. **Public comments on air quality issues not related to the draft Title V operating permit will not be accepted into the record.**

To provide public comment you must register using the appropriate form below and the Zoom link provided above. Comments will be limited to no more than 3 minutes in duration. The forms will be activated on November 14, 2022 at 8:00 a.m.

Registration for oral public comment will be closed if it fills to the maximum number of persons that can provide comment during the allotted timeframe, at which time notification will be posted on the commission website and the oral public comment registration form will be deactivated.

PUBLIC PARTICIPATION ENCOURAGED:

The Commission encourages all interested persons to provide their written comments in advance of the hearing and oral comments during the hearing. The Commission encourages that all written comments, handouts, or exhibits be submitted by **November 7, 2022** so that the Hearing Officers have the opportunity to review the information prior to the hearing. However, written comments will be accepted by the Commission up to the close of the public comment hearing.

PROCEDURAL MATTERS:

Submissions to the Commission should include: your name and the name of the group or organization that you may be representing (if applicable).

Electronic submissions are to be emailed to: cdphe.aqcc-comments@state.co.us

Written submissions are to be mailed to:

Colorado Air Quality Control Commission
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South, EDO-AQCC-A5
Denver, Colorado 80246

The Commission has the discretion to provide additional time after the hearing to submit written public comments. The Commission will not action or issue rulings during the hearing.

If a translator is needed for the presentation of oral comments to the Commission, a request must be submitted to the Commission Office no later than **November 1, 2022**.

Dated this 18th day of October 2022 at Denver, Colorado.
