

Air Pollution Control Division

Notice Of A Proposed Title V Operating Permit Warranting Public Comment

Website Title: Colorado Interstate Gas Company, LLC - Totem Natural Gas Transmission and Storage Facility - Adams County

Notice Period Begins: March 7, 2023

NOTICE is hereby given that an Operating Permit application has been submitted to the Colorado Air Pollution Control Division, 4300 Cherry Creek Drive South, Denver, Colorado 80246-1530, for the following source of air pollution:

Applicant: *Colorado Interstate Gas Company, LLC*
2 N. Nevada
Colorado Springs, CO 80903

Facility: *Totem Natural Gas Transmission and Storage Facility*
54200 E 104th Ave
Bennett, CO 80103

Colorado Interstate Gas Company, LLC has applied for an Operating Permit for the Totem Natural Gas Transmission and Storage Facility in Adams County, CO. This facility is a natural gas transmission and storage facility. There are no modifications associated with this action. There are no emission changes associated with this action. A copy of the application, including supplemental information, the Division's analysis, and a draft of Operating Permit 21OPAD443 are available on the Division's website at <https://www.colorado.gov/cdphe/air-permit-public-notice>. The Division has made a preliminary determination of approval of the application. Based on the information submitted by the applicant, the Division has prepared the draft operating permit for approval. Any interested person may contact the division at cdphe_apcd_title_v@state.co.us to obtain additional information. Any interested person may submit written comments to the Division concerning 1) the sufficiency of the preliminary analysis, 2) whether the permit application should be approved or denied, 3) the ability of the proposed activity to comply with applicable requirements, 4) the air quality impacts of, alternatives to, and control technology required on the source or modification, and 5) any other appropriate air quality considerations. Any interested person may submit a written request to the Division for a public comment hearing before the Colorado Air Quality Control Commission (*Commission*) to receive comments regarding the concerns listed above as well as the sufficiency of the preliminary analysis and whether the Division should approve or deny the permit application. If requested, the hearing will be held before the Commission within 60 days of its receipt of the request for a hearing unless a longer time period is agreed upon by the Division and the applicant. The hearing request must: 1) identify the individual or group requesting the hearing, 2) state his or her address and phone number, and 3) state the reason(s) for the request, the manner in which the person is affected by the proceedings, and an explanation of why the person's interests are not already adequately represented. The Division will receive and consider the written public comments and requests for any hearing for thirty calendar days after the date of this Notice.

Comments may be submitted using the following options:
