# AEROTROPOLIS AREA COORDINATING METROPOLITAN DISTRICT 2023 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

# Services Provided

Aerotropolis Area Coordinating Metropolitan District (the District) (formerly Green Valley Ranch East Metropolitan District No. 1) was organized by order and decree of the District Court of Adams County, Colorado, recorded on December 7, 2004, to provide financing for the construction and installation of regional public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The Court Order granting the District's name change was recorded on August 16, 2017. The District's First Amended and Restated Service Plan (Service Plan) was approved by the City Council of the City of Aurora (City) on October 16, 2017. The Service Plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City. The District was formed in conjunction with seven other metropolitan districts: The Aurora Highlands Metropolitan District Nos. 1-3 (TAH Nos. 1-3) (formerly Green Valley Ranch East Metropolitan District Nos. 2-4), Green Valley Aurora Metropolitan District No. 1 (GVA No. 1) (formerly Green Valley Ranch East Metropolitan District Nos. 5), and Green Valley Ranch East Metropolitan District Nos. 6-8.

On November 7, 2017, the District voters approved a mill levy increase to generate property taxes of up to \$8,000,000,000 annually to pay, in part, the District's general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2018 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized for all services and improvements was \$104,000,000,000. The Service Plan limits the total debt issuance to \$8,000,000,000, with a maximum debt mill levy of 50.000 mills, subject to a change in calculating the residential assessed valuation.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the regional public improvements, and the repayment of the associated debt.

The District has historically received developer advances to help fund initial operating and administrative expenditures. On April 10, 2020, the District and The Aurora Highlands Community Authority Board (CAB) entered into that certain Project Management Intergovernmental Agreement pursuant to which the CAB will advance funds to the District for costs associated with the construction of District improvements.

The District, the City, and Adams County established the Aerotropolis Regional Transportation Authority (ARTA) pursuant to an intergovernmental agreement entered into on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Once organized, ARTA will impose an ARTA Mill Levy on the District. The District will collect revenues from the ARTA Mill Levy to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements (ARI) Mill Levy and will collect the ARI Mill Levy revenues to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

# AEROTROPOLIS AREA COORDINATING METROPOLITAN DISTRICT 2023 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

# Services Provided (Continued)

On November 21, 2019, the District, TAH Nos. 1-3, and ATEC Metropolitan District Nos. 1 and 2 ("ATEC Nos. 1 and 2", and collectively with the District and TAH Nos. 1-3, the "CAB Districts") formed The Aurora Highlands Community Authority Board ("CAB") pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. The additions of the Aurora Highlands Metropolitan District Nos. 4-6 to the CAB were subsequently approved by the CAB Districts.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

# Revenues

# **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

The District will not levy a property tax in 2023.

# AEROTROPOLIS AREA COORDINATING METROPOLITAN DISTRICT 2023 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

# **Revenues** (Continued)

Pursuant to the Service Plan, the District is required to levy the ARI Mill Levy, in the first year the District imposes a debt service mill levy and for each year thereafter. The ARI Mill Levy will be one mill for each of the first twenty years. The ARI Mill Levy will increase to 5 mills in year twenty-one and will continue at that level until the earlier of year forty or the date when bonds have been repaid. The ARI Mill Levy will then be imposed for ten additional years at the average debt service mill levy imposed by the District for the ten years prior to the date of repayment of the debt.

# Developer Reimbursement

A portion of the capital improvements to be constructed are for the benefit of the Developer. The Developer will reimburse the District for these costs.

# Intergovernmental Revenue

The District has entered into intergovernmental agreements with ARTA, whereby the District will receive funding from ARTA to help finance capital regional transportation improvements. Additionally, the District has budgeted capital funding from bond proceeds that were issued by the CAB in 2021, in 2022, and to be issued in 2023.

# Expenditures

# Administrative and Operating Expenses

The District is a member of the CAB. The CAB will provide all the administrative and operating expenditures, which include the services necessary to maintain the District's administrative viability such as legal, accounting, insurance, banking, meeting expense, and other administrative expenses.

# Capital Outlay

The budget anticipates construction activity during 2023 and is detailed on page 5.

# Debt and Leases

The District has no capital or operating leases.

# Reserves

# **Emergency Reserve**

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR.
