**ORCHARD PARK PLACE SOUTH METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by court order and decree of the District Court for the County of Adams on December 10, 2008 and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District is located within the City of Westminster, Colorado. The District was established to provide financing for the operations and maintenance and design, acquisition, installation, construction, and completion of public improvements and services, including water, sanitation/storm sewer, streets, and park and recreation.

On November 3, 2015, District voters authorized the District to issue \$110,000,000 of general obligation bonds or other financial obligations for the infrastructure development of the services noted in the preceding paragraph. Additionally the District can levy up to \$100,000 annually to pay the operations costs of the District.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues - (continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes when calculated using the current year's gross taxable assessed valuation.

Bond Issuance

The District anticipates issuing general obligation bonds in 2023. Bond proceeds will be used to pay bond issue costs, infrastructure costs, and capitalized interest. Significant terms of the bond issuance will be determined at the time of issuance.

Developer Advance

The District is in the development stage. As such, a significant portion of the operating and administrative expenditures are to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Expenditures

Administrative Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance, and other administrative expenses.

Debt Service

Interest payments on the 2023 Bonds are based on the estimated debt amortization schedule at an interest rate of 5.75%.

Capital Outlay

The District anticipates capital expenditures as noted on the Capital Projects Fund page of the budget. The District will own, operate and maintain all District eligible public improvements within its boundaries that are not dedicated to another public entity.

Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
