THE AURORA HIGHLANDS METRO DISTRICT NO. 6 2023 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The Aurora Highlands Metropolitan District No. 6 ("District") (formerly known as First Creek Ranch Metropolitan District) was organized to provide construction, installation, financing, and operation of public improvements, including street improvements, park and recreational facilities, water, sanitary sewer, storm drainage, fire stations and other emergency services within the District. The District's service area is located in Adams County, Colorado.

On November 5, 2002 and November 8, 2016, the District's voters authorized total general obligation indebtedness of \$52,562,525,000 for the above listed facilities and powers but, the District's Amended Service Plan limits the total indebtedness to \$4,000,000,000, with a maximum debt mill levy of 50.000 mills, subject to changes in the method of calculating residential assessed valuation. The maximum debt service mill levy shall not apply to the District's ability to increase its mill levy necessary for the provision of operation and maintenance services. The Amended Service Plan also restricts the District's powers for fire protection, television relay and translation, and golf course construction unless the District enters into an agreement with the City allowing for these powers.

On November 8, 2016, the District voters approved a mill levy increase to generate property taxes of up to \$4,000,000 annually to pay, in part, the District's general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2017 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

AACMD, the City of Aurora and Adams County have established the Aerotropolis Regional Transportation Authority ("ARTA"), pursuant to an intergovernmental agreement entered into on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Beginning in 2019, ARTA will impose an ARTA Mill Levy on the District. The District will deposit revenues from the ARTA Mill Levy with AACMD to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements ("ARI") Mill Levy and will deposit the ARI Mill Levy revenues with ARTA to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

On November 21, 2019, the ATEC Districts, AACMD and The Aurora Highlands Metropolitan District Nos. 1-3 (collectively, the "CAB Districts") formed The Aurora Highlands Community Authority Board ("CAB") pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. On April 27, 2022, the CAB Districts approved the addition of the District to the CAB. Pursuant to Ordinance No. 2022-06 of the City of Aurora, the City accepted a designation as the approving authority for the District and approved the Consolidated Second Amended and Restated Service Plan for The Aurora Highlands Metropolitan District Nos. 1,2,3,4,5, and 6. It is

anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operations of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget.

Property Taxes ARI

ARTA imposes a mill levy of 5.000 mills for payment of the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements as contemplated by ARTA. (see "Services Provided" above). The District has agreed to levy an additional 0.726 mills due to a change in calculating the residential assessed valuation.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund.

Interest income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 2%.

Expenditures

Administrative Expenditures

Administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, management, meeting expense, insurance, and other administrative expenses.

Transfers to Other Districts

The District has budgeted for a transfer of the majority of its 2023 revenues to The Aurora Highlands Community Authority Board (CAB) and ARTA. It is anticipated that the District and the CAB will enter into an intergovernmental agreement governing the transfer of these funds.

Debt and Leases

The District's had no outstanding debt. The District has no operating or capital leases.

Reserves

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR eligible funds received by the District are transferred to the CAB, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the CAB
