

BUILT ENVIRONMENT IMPACT REVIEW

Application submittal must include all documents on this checklist with the completed application form (pg. 2).

All applications are submitted on-line through the E-Permit Center customer portal at <https://permits.adcogov.org/CitizenAccess/>. Register to create account or login to existing account. You will then click "Land Use" and "Create an Application", then select "EHR-Built Environment Impact Review" to start this application. Include the following checklist and development application form with the application materials. All submittal documents should be combined in a single PDF before uploading. The application fee is payable online at <https://permits.adcogov.org/CitizenAccess/>. Documentation of fee payment must be included in the application submittal.

- 1. Development Application Form (pg. 2)
- 2. Application Fees (upload payment receipt)
- 3. Complete Permit Application Packet (as Submitted to Municipality)

Application Fees	Amount	Due
Built Environment Impact Review Case	\$100.00	At time application is submitted
