Income amounts by household size can be found at cdec.colorado.gov.
- 2. To complete the re-determination process, including providing a complete re-determination packet and all required verification, when it is due, in order to maintain my CCCAP benefits.
- 3. I agree to provide my child care worker with immunization records for my child(ren) if they are not yet schoolage and care is provided outside of my home by an unrelated, Qualified Exempt Child Care Provider.
- 4. To notify my child care worker prior to changing child care providers otherwise the county may not pay for my child care.
- 5. To use the State approved Attendance Tracking System (ATS) as designed to check my child(ren) in and out of child care on the days that my child(ren) attends child care. If my child care provider has a state approved ATS waiver, I will check my child(ren) in and out as instructed by my child care worker and/or provider.

RIGHT OF APPEAL AND FAIR HEARING

If you disagree with an action taken in regards to child care benefits, you have a right to:

- A local level dispute resolution conference which must be requested before the effective date of the proposed action;
- If you are dissatisfied with the outcome of the local dispute resolution conference, you may request a state level fair hearing before an administrative law judge if the writtenrequest for a hearing is mailed or delivered to the Office of Administrative Courts no later than 10 calendar days after the local level conference decision is mailed or delivered by the county;
- If you do not want to have a local/county conference to resolve the dispute, you may request
 a state level hearing before an administrative law judge, if the issue is appealable, and if your
 written request is mailed or delivered to the Office of Administrative Courts no later than 90
 calendar days from the date of the notice
 of action:
- You may request judicial review of the final agency decision following the state level fair hearing in district court, after exhausting all administrative appeal rights; and
- If you have been receiving child care assistance, you may request continued assistance until
 the dispute is resolved or until the final agency decision is issued, if the request for a local
 conference and/or state level hearing is made before the effective date of the proposed action
 being appealed. You should be aware that the state and county are required to attempt to
 collect or get repayment of all benefits provided to you for which you were not eligible.

If you request a local conference, the county will schedule that conference. At your conference, you will be given an opportunity to present your case. The person(s) reviewing your case will not be the same person responsible for the action in dispute. Before you decide to request a local dispute resolution conference, we encourage you to talk with your county child care worker, and then the worker's supervisor. Often your questions and concerns can be settled by talking to county staff that is responsible for making the change in your child care subsidies.

If you want to request a state level fair hearing, your request must be sent or delivered to:

Office of Administrative Courts 1525 Sherman St. 4th Floor Denver, Colorado 80203

- In the letter you need to say that you want to appeal the county's action and why you want to appeal that action. If you need help doing this you can ask anyone you like to help you, talk to a legal aid office or attorney, or ask your child care worker to help you.
- When your letter is received, you will get a letter from the Office of Administrative Courts
 explaining what will be done and the date for the appeal hearing. It will also explain who can
 come with you, who can present testimony and other information about the hearing.
- Throughout the appeal process, you have the right to be represented or assisted by legal counsel, a relative, a friend or a spokesperson of your choosing.
