A modification to a request for Public Records is considered a new request.

2. Notification for Inspecting Public Records Not Under Control of the Custodian. If the Public Records requested are not in the custody or control of the Custodian or the Official Custodian, the Custodian or his or her designee shall notify the person requesting to inspect such records that said records are not in the custody or control of the Official Custodian or the Custodian. Within the period specified in Section 24-72-203(3), C.R.S., the Custodian or his or her designee shall notify the person requesting a copy of the Public Records that a copy of the Public Records is available but will only be sent to the requester once the Custodian either receives payment or makes arrangements for receiving payment for all costs associated with records transmission and for all other fees lawfully allowed, regardless of whether provided for herein, unless recovery of all or any portion of such costs or fees has been waived by the Custodian. Upon receipt of such payment, the Custodian or his or her designee shall send a copy of the Public Records to the requester as soon as practicable but no more than three (3) business days after receipt of, or making arrangements to receive, such payment.
5. Fees for Copies of Public Records. The Custodian or his or her designee shall furnish, for a fee as set forth herein, a copy, printout, or photograph of the District's Public Records requested.  - a. When the format is other than a standard page, the fee shall not exceed the actual cost of providing the copy, printout, or photograph;
 - b. If other facilities are necessary to make a copy of the Public Records, the cost of providing the copy at the other facilities shall be paid by the person requesting the copy;

- c. If the Public Records are a result of computer output other than word processing, the fee for a copy, printout, or photograph thereof may be based on recovery of the actual incremental costs of providing the electronic services and products together with a reasonable portion of the costs associated with building and maintaining the information system;
 - d. If, in response to a specific request, the District has performed a manipulation of data so as to generate a record in a form not used by the District, a reasonable fee may be charged to the person making the request, which fee shall not exceed the actual costs of manipulating the data and generating the record in accordance with the request; and
 - e. Where the fee for a certified copy or other copy, printout, or photograph of a Public Record is specifically prescribed by law, that specific fee shall apply in lieu of the fee(s) set forth herein.
6. Transmission Fees. In addition to the fees set forth above, where the person requesting the Public Record requests the transmission of a certified copy or other copy, printout, or photograph of a Public Record by United States mail or other non-electronic delivery service, the Custodian or his or her designee may charge the costs associated with such transmission, except that no transmission fees may be charged to the records requester for transmitting a Public Record via electronic mail.
7. Research and Retrieval Fees. In addition to the fees set forth above, in accordance with Section 24-72-205(6), C.R.S., the Official Custodian, Custodian, or his or her designee may charge a research and retrieval fee of \$33.58 per hour, or such other maximum hourly fee as may be adjusted from time to time pursuant to Section 24-72-205(6)(b), C.R.S., for time spent by the District's directors, employees, agents, and consultants researching, retrieving, gathering, collecting, compiling, preparing, redacting, manipulating, and/or otherwise producing records in order to respond to a request for Public Records. Provided, however, that such research and retrieval fee may not be imposed for the first hour of time expended in connection with such research and retrieval activities related to a request for Public Records, but may be imposed for each subsequent hour.
8. Payment of Fees. All fees associated with production of the District's Public Records requested by the person inspecting said Public Records, as set forth in Paragraphs 4 through 7 above, shall be received by the District before the delivery or inspection of said Public Records.
9. In Force Until Amended or Repealed. These rules of the Official Custodian shall remain in full force and effect unless and until such time as they are amended or repealed by the Official Custodian regardless of any change in either the individual serving as, or the designation of, the Official Custodian of the District.
10. Repealer. These rules of the Official Custodian shall supersede all previous versions of

rules, regulations, practices and policies of the District related to inspection of Public Records.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Colorado Science and Technology Park Metropolitan District No. 2 (District), a quasi- municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the County of Adams on November 20, 2007, concurrently with two other districts, Colorado Science and Technology Park Metropolitan Districts No. 1 and 3, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City of Aurora on July 16, 2007. The District's service area is located in the City of Aurora in Adams County, Colorado. The District was established to provide financing for the construction and installation of public improvements, including water, sanitary sewer, streets, parks and recreation, transportation, traffic and safety, mosquito control, television relay and translation, security and, upon an intergovernmental agreement with the City, fire protection.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget document using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected on the gross assessed values.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Transfers to District No. 1

On December 28, 2018, the District entered into the Capital Pledge Agreement with Colorado Science and Technology Park Metropolitan District No. 1 (District No. 1). Pursuant to this Agreement, the District agreed to impose a debt mill levy and pledge the tax revenues generated from such debt mill levy, including (i) specific ownership taxes attributable to such debt mill levy and (ii) increment property taxes, for the repayment of bonds issued by District No. 1 in 2018. The proceeds of bonds issued by District No. 1 was used for construction and acquisition of public improvements within the District.

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of property taxes.

Debt and Leases

The District has no operating or capital leases.

Reserves

Emergency Reserve

The District has not provided for an emergency reserve equal to at least 3% of fiscal year spending for 2023, as defined under TABOR, because tax revenue is transferred to District No. 1, the Operating District, which provides for the required reserve amount.

This information is an integral part of the accompanying budget.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
