- Erosion and Sediment Control Plan**
(See “[Small Construction Site Sediment and Erosion Control Guidelines](#)” to prepare the plan, or contact **Adams County Engineering 720.523.6800**)

FEES REQUIRED AT TIME OF SUBMITTAL

- Plan Review fee based on 65% of listed valuation at time of submittal by applicant. ([fee schedule](#))**
Note: During review of the plans, the valuation will be verified according to the Building Safety Journal Data (Aug. 2014) price per square foot and may be adjusted resulting in adjustment of the plan review fee and additional charge for the difference or a credit towards total permit fees.
 - Development Review fees upon each submittal: Residential **\$40.00**.
 - Traffic Impact Fees ([fee schedule](#))**
Traffic Impact Fees based on use and square footage of building. The TIF will be calculated during the review of the plans. For questions regarding calculating this fee or an estimate prior to submitting, please contact **720.523.6800**. The TIF will be required to be paid prior to issuance of the building permit.
-

CONTRACTOR'S LICENSING

A General Contractor and Subcontractor(s) must be identified prior to issuance of permits. If the contractors are not registered, they must do so on the [E-Permit Center](#). Please see below for our requirements. Once the contractor is approved, Adams County requires the General Contractor to notify One-Stop at epermitcenter@adcogov.org. Any transfers will require written documentation between the new and old General Contractor and approval from the Adams County Building Safety Division

- **Class A:** Erect, add to, alter, or repair any building or structure, in all occupancy groups.
- **Class B:** Erect, add to, alter, or repair any building or structure not over two (2) stories in height, in group B, F, M, S, R, and U occupancies.
- **Class C:** Erect, add to, alter, or repair any building or structure of a non-structural nature, in group M and R occupancies
- **Class D:** Any specialty contractor including, but not limited to, plumbing, electrical, siding, fences, glass and glazing, insulation, and heating.

Adams County Building Safety requires the following documents to be successfully registered:

- Driver's License of Authorized Person(s)
 - General Liability Insurance - [Requirements](#)
 - Contractor license from any Colorado municipality OR ICC Certification
 - Colorado State Contractor/Colorado Master License (Electrical and Plumbing Contractors ONLY)
-

APPLICATION REVIEW TIMELINE

- Initial review timeframe from application acceptance¹ = **10 business days**
- Second review and onwards = **5 business days**

ADDITIONAL REVIEW TIMELINE (revisions after permit issuance)²

- Initial review timeframe from application acceptance = **10 business days**
- Second review and onwards = **5 business days**
- Plans will be charged a **\$100.00/hour** additional plan review fee

¹ Application acceptance means it has been processed through One-Stop and is not from receipt of plan check fee(s).

² An Additional Plan Review must be requested through One-Stop to start a new workflow. **720.523.6800**; epermitcenter@adcogov.org

INSPECTIONS

Once a permit has been issued, it is the responsibility of the applicant to schedule inspections. Please view our [Building Inspection Procedures](#). Inspections must be scheduled **48 hours in advance** online through the E-Permit Center or through the IVR phone system **720.523.6320**
