

Adams County Collaborative Management Service

Compression Plan

Purpose

The Adams County Collaborative Management Program (ACCMP) is designed to promote a collaborative system of local-level interagency oversight and provide individual services and support teams to assist families with children and youth that would benefit from integrated multi-agency services.

Strategic Goals

Strategic Goal #1	Strategic Goal #2	Strategic Goal #3	Strategic Goal #4	Strategic Goal #5
<p>Identify key stakeholders and determine leverage points and linkages that would aid the CMP's progress to advanced their mission.</p>	<p>Develop a robust continuous improvement plan (CQI) that is data driven.</p>	<p>Increase the engagement of family members and youth to improve the CMP.</p>	<p>Increasing the number of youth and families served annually.</p>	<p>Establish infrastructure to grow and increase efficiency of the CMP.</p>
