

SENIOR PROPERTY TAX HOMESTEAD EXEMPTION

A property tax exemption is available to qualifying senior citizens and the surviving spouses of seniors who previously qualified. The three basic requirements are: 1) the qualifying senior must be at least 65 years old on January 1 of the year of application; 2) he or she must be the owner of record and must have been the owner of record for at least ten consecutive years prior to January 1; and 3) the senior must occupy the property as his or her primary residence, and must have occupied it for at least ten consecutive years prior to January 1.

For those who qualify, 50 percent of the first \$200,000 of actual value of the applicant's primary residence is exempt. The state will reimburse the county treasurer for the lost revenue.

An applicant or married couple can only apply for exemption **on only one property**, and that property must be his or her primary residence. Married couples and individuals who apply for exemption on multiple properties will be denied the exemption on each property.

For the purpose of the exemption, "**primary residence**" is the place at which a person's habitation is fixed. A person can have only one primary residence at a time. If the applicant is registered to vote, the address used for voter registration is considered the primary residence. If the applicant is not registered to vote, the address listed on automobile registrations, income tax returns, or other legal documents may be considered evidence of the place of primary residency.

The property must be classified as residential by the county assessor. For multiple dwelling unit properties, exemption will only be granted to the unit occupied by the applicant as his or her primary residence.

The attached Long Form is one of two applications created for the exemption. The Long Form is used by individuals applying under the **surviving spouse** option and those who fall within certain **exceptions** to the occupancy and ownership requirements.

These exceptions are: 1) ownership was transferred to or purchased by a trust, corporate partnership or other entity solely for estate planning purposes; 2) the qualifying senior, spouse, or surviving spouse was or is confined to a nursing home, hospital or assisted living facility; 3) the prior residence was condemned in an eminent domain

proceeding by a governmental entity; or 4) the prior residence was destroyed or otherwise rendered uninhabitable by a natural disaster. If applying as a surviving spouse, or if any of the above exceptions is true, you must use the Long Form. The completed form must be submitted to the county assessor's office no later than **July 15**. If not filed by July 15, the assessor must accept late applications through August 15. However, applicants who file after July 15 will not have appeal rights. **You only need to apply for the exemption once and it remains in effect for subsequent years, as long as the property ownership and occupancy do not change.** Your county assessor has a brochure with additional information.

IN ORDER TO PROCESS THE APPLICATION, THE COUNTY ASSESSOR MAY REQUEST ADDITIONAL INFORMATION.

Veteran with a Disability Exemption

In 2006, voters amended Colorado's Constitution to extend the senior exemption to disabled veterans. In 2014, Colorado's legislature expanded this exemption to the surviving spouse of a veteran with a disability who previously received the exemption. In 2022 voters added eligibility for "Goldstar Surviving Spouses" to the program.

Qualifying veterans are those who have a 100 percent permanent disability rating from the federal Department of Veterans Affairs through disability retirement benefits, from a service-connected disability, who have owned and occupied the property as their primary residence since January 1.

Veteran, Gold Star spouse and the surviving spouse forms are available from the Division of Property Taxation at <https://dpt.colorado.gov/property-tax-exemption-for-senior-citizens-and-veterans-with-a-disability> or from your county assessor. The filing deadline is **July 1**. The Division of Property Taxation can be reached at 303-864-7777.

An individual or married couple is only entitled to one exemption, either senior citizen or disabled veteran, and only on one property. If an individual or married couple applies for exemptions on more than one property, the exemptions will be denied on each property.

LONG FORM INSTRUCTIONS

Note: For questions 1 and 4, Colorado law requires the name and **social security number** of each individual who occupies the property as a primary residence to be listed on the application. This information is used to ensure that no applicant is granted exemption on multiple properties. Statute requires the information be kept confidential. See §§ 39-3-205(2)(a)(I) and (III), and 8-2-128(2) C.R.S.

1. IDENTIFICATION OF APPLICANT AND PROPERTY:

Identify the qualifying senior or surviving spouse and property. It is permissible for ownership to be held in a life estate. If ownership is held in a life estate, check the life estate box.

2C – Exceptions to Occupancy Requirements: Colorado statutes, §§ 39-3-202(2)(b) and 203(6)(a), C.R.S., provide three exceptions to the 10-year occupancy requirement.

- ▶ The qualifying senior or surviving spouse is/was confined to a hospital, nursing home, or assisted living facility.
- ▶ The prior home was condemned in an eminent domain proceeding by a governmental entity, or the home was sold to the governmental entity due to a threat of an eminent domain proceeding.
- ▶ The prior home was destroyed by a natural disaster.
