

## VARIANCE

**Application submittals must include all documents on the checklist as well as this page. Please use the reference guide (pg. 2) included in this packet for more information on each submittal item.**

**All applications shall be submitted electronically to [epermitcenter@adcogov.org](mailto:epermitcenter@adcogov.org). If the submittal is too large to email as an attachment, the application may be sent as an unlocked OneDrive link. Alternatively, the application may be delivered on a flash drive to the One-Stop Customer Service Center. All documents should be combined in a single PDF. Once a complete application has been received, fees will be invoiced and payable online at <https://permits.adcogov.org/CitizenAccess/>.**

1. Development Application Form (pg. 3)
2. Application Fees (see table below)
3. Number of variance requests:

Variance Request:	# of Requests:
Setback	
Height	
Lot Coverage	
Other:	

4. Written Narrative of the Request and Hardship Statement (pg. 5)
5. Site Plan Showing Proposed Development/Variance, including:
  - Proposed Building Dimensions, Location, and Setbacks
  - Location of Well
  - Location of Septic Field
  - Location of Easements
6. Proof of Ownership (warranty deed or title policy)
7. Proof of Water and Sewer Services
8. Legal Description
9. Certificate of Taxes Paid
10. Certificate of Notice to Mineral Estate Owner/and Lessees (pg.6)
11. Certificate of Surface Development (pg. 7)

Application Fees:	Amount:	Due:

# Variance-Guide to Development Application Submittal

The submittal documents for all Land Use/Development Applications are listed below. Detailed explanations of the submittal documents are also provided.

All development application submittals shall comprise of one (1) electronic copy (emailed or delivered on a USB). **Application submittals that do not conform to these guidelines shall not be accepted.**

---

## 4. Written Narrative of the Request and Hardship

### Statement:

- Written explanation of the request should provide a general narrative of the goals and intent of the variance request.
- Describe how the request meets each of the criteria listed in Section 2-02-21-06 and on the handout (see pg. 5), mainly pertaining to unique circumstances present on the property.

## 5. Site Plan:

- Shall be to scale and include: a north arrow, date of preparation, identify streets and roads, intersections, driveways, access points, parking areas, existing structures, wells, septic systems, easements, utility lines, lot dimensions, no build or hazardous areas
- An Improvement Location Certificate or Improvement Location Survey may be required during the official review

## 6. Proof of Ownership:

- A deed may be found in the Office of the Clerk and Recorder
- A title commitment is prepared by a professional title company

## 7. Proof of Water:

- A written statement from the appropriate water district indicating that they will provide service to the property **OR** a copy of a current bill from the service provider
- Well permit(s) information can be obtained from the Colorado State Division of Water Resources at (303) 866-3587

## Proof of Sewer:

- A written statement from the appropriate sanitation district indicating that they will provide service to the property **OR** a copy of a current bill from the service provider
- A written statement from Tri-County Health indicating the viability of obtaining Onsite Wastewater Treatment Systems

## 8. Legal Description:

- Geographical description of a real estate property
- Visit <http://gisapp.adcogov.org/quicksearch/> to find the legal description for your property

## 9. Proof of Taxes Paid:

- All taxes on the subject property must be paid in full. Please contact the Adams County Treasurer's Office
- Or <http://adcogov.org/index.aspx?NID=812>

## 10. & 11. Certificate of Notice to Mineral Estate Owners/ Certificate of Surface Development:

- Mineral or Surface right owners may be found in the title commitment for the subject property
- You may also search the Office of the Clerk and Recorder for any recorded deeds, easements, etc

**PLEASE REFERENCE THE PROJECT NARRATIVE FOR RESPONSES TO CRITERIA**

**HARDSHIP STATEMENT**

*Using the following hardship criteria for granting a variance, please provide an explanation of how the criteria have been satisfied (see Section Section 2-02-21-06 of the Adams County Development Standards and Regulations for the full text of the criteria). Please feel free to attach your statements using a separate piece of paper.*

1. There exists special physical requirements or circumstances of the subject property such as irregularity, narrowness, shallowness, or slope.
2. Because of these physical circumstances, the strict application of the code would deprive the applicant of rights commonly enjoyed by other properties in the same district.
3. Granting the variance will not confer on the applicant any special privilege.
4. Due to the physical circumstances or conditions, the property cannot be developed in conformity with the regulations.
5. The special circumstances or hardship is not self-imposed.
6. That the variance, if granted, will be in harmony with the general purpose and intent of the Adams County regulations and with the Adams County Comprehensive Plan.
7. That the variance, if granted, will not cause substantial detriment to the public good or impair the intent of these standards and regulations.
8. That the variance, if granted, would not allow a use which is not otherwise permitted in the zone district in which the property is located, would not result in the extension of a non-conforming use, or would change the zone classification on the property.

Re: **QuikTrip #4262**  
**7320 Pecos St. (Parcel Number 0171933415002)**  
**Signage Height Variance: Project Narrative**

Please accept this project narrative as the submittal request for a Signage Height Variance for QuikTrip store #4262. Galloway and Company are representing QuikTrip Corporation (QT), who are under contract to purchase the subject property located at 7320 Pecos Street, also known as Adams County PIN 0171933415002, and is within the Perl Mack Manor 10<sup>th</sup> Filing Subdivision. As part of the Variance request, QT is also concurrently submitting a Change In Use proposal for a Convenience Store and Fuel Station.

The request is to allow a seventy (70) foot free standing sign where twenty-four (24) feet is permitted within the Commercial – Four (4) District (C-4). The eight (8) Criteria for Approval section 2-02-23-06 is analyzed below.

1. Special physical requirements or circumstances exist which are peculiar to the land, the lot, or some aspect inherent in the land causes the hardship and are not applicable to other lands in the same district.  
***Galloway Response: The subject site has an elevation approximately 25-30 feet below the grade of U.S. Route 36 resulting in poor visibility for signage for vehicular traffic. The perspective exhibits attached with this submittal shows what vehicle traffic would see eastbound and westbound on U.S. Route 36.***
2. The literal interpretation of the provisions of these standards and regulations would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of these standards and regulations.  
***Galloway Response: The existing use of the subject property is a motel and a restaurant. The existing sign is approximately 70 feet in height. QuikTrip is requesting a sign that would be the same height, but in a different location.***
3. Granting of the variance requested will not confer on the applicant any special privilege denied by these standards and regulations for other land in the same zone district.  
***Galloway Response: Approving the variance would not confer on the applicant special privilege. The existing sign on the property is a prime example of this and signs directly north of U.S. Route 36 and west and east throughout the Denver-Boulder Turnpike.***
4. Because of physical circumstances or conditions, the property cannot reasonably be developed in conformity with the provisions of the physical requirements of these standards and regulations.  
***Galloway Response: The physical elevation of the subject property is not suitable for a business for advertisement along a prime vehicle corridor (U.S. Route 36).***
5. The special circumstances applicable to the property have not been created by voluntary action or negligence by any person presently having an interest in the property.  
***Galloway Response: The circumstances were not created by any person presently having an interest in the property. The subject property and motel have been around since 1957 according to County records per the assessor's office.***
6. The granting of the variance will be in harmony with the general purpose and intent of these standards and regulations and with the Adams County Comprehensive Plan.

***Galloway Response: Yes, the granting of the variance would align with the Adams County Comprehensive Plan.***

7. The granting of a variance from strict application of these standards and regulations will not cause substantial detriment to the public good or impair the intent of these standards and regulations.

***Galloway Response: The granting of this variance will not cause substantial detriment to the public good or impair the intent of the standards and regulations. The existing sign has been around for ages. The motel and restaurant have utilized the existing sign since they have been around. The QuikTrip sign would essentially replace the existing sign and would not have any detrimental affect on the community.***

8. The variance would not allow a use which (a) is not otherwise permitted in the zone district in which the property is located, (b) would result in the extension of a non-conforming use, or (c) would change the zone classification of any or all of the subject property.

***Galloway Response: The variance request would not qualify for any of the three scenarios mentioned above to occur.***

Please let us know if you have any questions or clarifications. We look forward to working with Adams County staff on this exciting development!

RE: 7320 Pecos Street, Denver, CO (Unincorporated Adams County) ("Property")

To Whom It May Concern:

Valli-Hi On The Turnpike ("OWNER") as Owner of the above-reference Property hereby designates Galloway and Company, Inc. ("Galloway") and QuikTrip Corporation ("QuikTrip") as authorized representatives of OWNER to submit on behalf of OWNER all necessary applications as they apply to Adams County for development of the Property. QuikTrip is under contract with OWNER to purchase the Property for development of a Convenience Store and Fueling Station.

Galloway and QuikTrip are not authorized to execute any binding documents on behalf of OWNER.

This letter confirms that the undersigned represents the sole ownership of the Property and that no other party's consent is required to represent said ownership for required development and permitting applications.

Valli-Hi On The Turnpike

## CRESTVIEW WATER & SANITATION DISTRICT

QuikTrip Corporation  
Brittany Sikorski  
12000 Washington Street  
Thornton, CO 80241  
918-951-4174

November 15, 2023

RE: Water and Sanitary Sewer Service, 7320 Pecos Street, Denver, CO 80221

Will-Serve Letter

Ms. Brittany Sikorski,

Please be advised that Crestview Water and Sanitation District (Crestview) currently provides both water and sanitary sewer service to the address of 7320 Pecos Street, parcel no. 01719363415002 in Adams County, Colorado and is willing to provide treated water and sanitary sewer service to said property for a possible future development that is wholly within the Crestview Water and Sanitation District boundaries.

Prior to creating a layout and filing a plat for any future development of this parcel, the petitioning owner/developer (developer) should have a pre-design meeting with Crestview, as the developer MUST allow for the installation of adequate water mains in strict accordance with Denver Water Engineering Standards and Crestview Rules and Regulations and engineering requirements. Crestview provides drinking water to its customers by means of a wholesale water purchasing contract with Denver Water. As part of the Contract, Denver Water requires Crestview and developers within Crestview's service area to adhere to Denver Water's Engineering Standards.

Sanitary sewer mains must also be designed in accordance with Crestview Rules and Regulations and engineering requirements.

For any future development of this parcel, the developer will be responsible for all costs related to the installation of required water and sewer mains and is responsible for all utility modeling, engineering studies and plan development/review costs. Crestview utilizes a consulting engineer to review plans provided to Crestview by developers. Any costs invoiced to Crestview by its consulting engineer pertaining to this development will be assessed to the developer through a Funds Deposit Agreement between the developer and Crestview.

All water and sewer mains and appurtenances for the new development shall be installed at the developer's expense and deeded free and clear to Crestview prior to the issuance of any water or sewer taps.

Any required off-site improvements to Crestview's water distribution system and/or sanitary sewer collection system created by additional system demands from this proposed development will be the responsibility of the owner/developer both financially and physically.

Crestview requires a signature of acceptance of this Will-Serve letter by the developer prior to scheduling a pre-design meeting with Crestview. Please provide a copy of this signed Will Serve letter when scheduling a pre-design meeting to Courtney Salazar, Developer/Project Coordinator, at [clerk@crestviewwater.com](mailto:clerk@crestviewwater.com) and to Crestview's engineer, Clarice O'Hanlon, at [cohanlon@crestviewwater.net](mailto:cohanlon@crestviewwater.net).
