This theme pays homage to the visionaries and trailblazers who have shaped our history and continue to influence our collective future. AAPI leaders have made lasting contributions to our Nation’s economic prosperity, technological advancements, and social/political change through their ingenuity and creativity while navigating significant cultural and systemic barriers; and,

Whereas, we acknowledge Asian American and Pacific Islanders who have lived and worked in Adams County for many years, contributing to Adams County’s economy, culture, education, politics, arts, literature, science, and technological developments, despite institutional, social, and systemic injustices designed to prevent and limit these achievements and contributions; and,

Whereas, through the A-Proud AAPI Affinity Group, employees connect and celebrate the diverse cultures and professional backgrounds within our communities; and,

Whereas, Asian American and Pacific Islander Heritage Month allows us to appreciate and celebrate the importance of inclusion and building a brighter future for all residents by recognizing the contributions and accomplishments of Asian Americans and Pacific Islanders.
