

Air Pollution Control Division

Notice of a Proposed Project or Activity Warranting Public Comment

Website Title: PDC Energy, Inc. - Riverdale 14-4-12HC - Adams County

Notice Period Begins: May 22, 2024

Notice is hereby given that an application for a proposed project or activity has been submitted to the Colorado Air Pollution Control Division for the following source of air pollution:

Applicant: PDC Energy, Inc.

Facility: Riverdale 14-4-12HC

Well Production Facility

NWSW quadrant of Section 14, Township 1S, Range 67W

Adams County

The proposed project or activity is as follows:

The applicant proposes to increase site-specific emission factors and emission limits while maintaining the liquid throughput process limit for the condensate tank (point 002) at the Riverdale 14-4-12HC facility. The facility is located in the severe ozone nonattainment area and is synthetic minor for VOC NANSR and TV-OP programs.

The division has determined that this permitting action is subject to public comment requirements under Colorado Air Quality Control Commission Regulation Number 3, Part B, Section III.C due to the following reason(s):

- the source is requesting a federally enforceable limit on the potential to emit in order to avoid other requirements

The division has made a preliminary determination of approval of the application.

A copy of the application, the division's analysis, and a draft of construction permit number 21AD0873 are available on the division website: [Air Permit Public Notices](#)

The division hereby solicits submission of public comments from any interested person concerning the ability of the proposed project or activity to comply with the applicable standards and regulations of the commission. The division will receive and consider written public comments for thirty (30) calendar days after the date of this notice. Comments may be submitted using the following options:

- Submit comments via web form: [Form for Public Comment on Draft Permit](#)
- Submit comments via email: cdphe_apcd_airpermitcomments@state.co.us
- Submit comments via mail:

Air Pollution Control Division - Oil & Gas Unit
