

# Air Pollution Control Division

## Notice of a Proposed Project or Activity Warranting Public Comment

Website Title: Public Notice of Revisions to General Permits - GP01, GP02, GP05, GP06, GP07, GP08, GP09, GP10, GP11.

Notice Period Begins: August 1, 2024

The Colorado Air Pollution Control Division has determined that the following proposed general permit updates warrant public comment. Therefore, the Air Pollution Control Division of the Colorado Department of Public Health and Environment hereby gives NOTICE, pursuant to Section 25-7-114.5(5), C.R.S. of the Colorado Air Quality Control Act that modifications to existing general permits are to be issued for the following proposed permits:

### Permits Include:

- General Permit GP01, Version 6 - Oil & Gas Industry Condensate Storage Tank Batteries;
- General Permit GP02, Version 4 - Oil & Gas Industry Natural Gas Fired Reciprocating Internal Combustion Engines;
- General Permit GP05, Version 5 - Oil & Gas Industry Produced Water Storage Tank Batteries;
- General Permit GP06, Version 4 - Diesel Fuel-Fired Reciprocating Internal Combustion Engines;
- General Permit GP07, Version 4 - Oil & Gas Industry Hydrocarbon Liquid Loadout;
- General Permit GP08, Version 4 - Oil & Gas Industry Storage Tanks;
- General Permit GP09, Version 3 - Oil & Gas Well Production Facilities;
- General Permit GP10, Version 4 - Oil and Gas Well Production Facilities;
- General Permit GP11, Version 3 - Oil and Gas Industry Routine or Predictable Gas Venting Emissions.

These general permits have been revised to address, amongst other changes, the following updates:

- Colorado's recent reclassifications of the ozone non-attainment areas.
- New regulations and updates to AQCC Regulation Number 3, Number 7 & Regulation 26.
- Revisions to monitoring frequencies, facility-wide emission limitations, nomenclature, and formatting to provide consistency among general permits and Division policy.
- Revisions to address requirements prescribed Regulation Number 3, Part B, III.D.1. as it relates to National Ambient Air Quality Standards (NAAQS), including revisions to Alternative Operating Scenarios (AOS).
- Clarifications to the General Permit registration approval process.

Detailed explanation of source specific changes can be found in their respective general permit preliminary analysis alongside this notice. A copy of the division's preliminary analyses and a draft

of General Permits - GP01, GP02, GP05, GP06, GP07, GP08, GP09, GP10, GP11 are available on the division website: [Air Permit Public Notices](#).

Colorado Regulation Number 3, Part B, Section III.I. gives the Division authority to issue General Permits. The Division has proposed to issue revisions to General Construction Permits GP01, GP02, GP05, GP07, GP08, GP09, GP10, and GP11 and GP06.

The division hereby solicits submission of public comments from any interested person concerning the specific revisions proposed to these general permits. The division will receive and consider written public comments for thirty (30) calendar days after the date of this notice. The division requests that comments be limited to the changes proposed. The division may not respond to comments submitted that are outside the scope of these proposed revisions. Comments may be submitted using the following options:

- Submit comments via web form: [Form for Public Comment on Draft Permit](#)
- Submit comments via email: [cdphe\\_apcd\\_airpermitcomments@state.co.us](mailto:cdphe_apcd_airpermitcomments@state.co.us)
- Submit comments via mail:
