Notice to Applicant- Equal Employment is the law

Workshop Descriptions

Adams County Job Club: Job seekers network with peers, provide support to one another, talk about challenges and successes, and practice more intensive job preparedness skills. Each person introduces themselves with an Elevator Speech.

Active Listening: Learn the skills needed to listen attentively and use techniques to becoming a better listener.

Career Exploration Part 1 & 2: Conduct a thorough self-analysis and learn about identifying a career path that will be a great fit for YOU! In Part 1 you will learn the theory of career exploration and Part 2 focuses on creating a career plan using an online platform.

Communication Skills: Learn the tools you need to communicate more effectively in interviews and the workplace.

Computer (IN PERSON): Computer Basics- for beginning computer users.

Conflict Resolution Part 1 & 2: Many of us don't handle conflict so well. Learn how to build stronger relationships and create greater success by effectively managing and resolving conflict. TWO SESSION WORKSHOP.

Connecting Colorado: Learn to effectively use the database used by Workforce Centers in the state to connect job seekers with employers.

Cover Letter: Learn strategies for a targeted cover letter that gives you an edge in your job search.

Critical Thinking: Learn how to effectively analyze and solve work problems, develop more and better ideas, make fewer mistakes, and get more out of training and other learning opportunities on the job.

Earn & Learn Internships: The Adams County WBC has paid internship opportunities. Internship offer a chance to gain work experience and earn a wage while exploring career pathways. This orientation helps you apply for this work-based learning opportunity.

Elements of Networking: Understand the basics of networking and how to leverage yours for successful job search.

Financial Literacy: Regain financial confidence when you join us each week to learn more about budgeting, credit, managing financial stress, and eating well on a budget.

Interview Workshops: The *overview* provides a high-level view of interview strategies and intensives offer an opportunity for in-depth exploration of specific interview concepts with hands-on exercises built in to practice skills.

In-Person Lab: Come in for resume, cover letter writing lab and get staff feedback on your professional documents. You must have a job focus and taken a resume and cover letter workshop as a pre-requisite to registering.

Job Development Prep Class: Learn the Job Development program works to connect you with employers as well as best practices for your job search.

Job Searching with a Criminal Background: Explore ways to discuss your criminal background with confidence and to reframe past mistakes into current strengths.

Leadership Part 1 & 2: Two separate workshops, one focuses on "What it means to be a good leader" and the other addresses "How to model good leadership skills and support employees to be successful."

LinkedIn: A hands-on lab to create your profile in Part 1 and improving your profile in Part 2. Learn basic networking features of LinkedIn.

Managing Change & Adaptability: Discover how to embrace change and use it to your advantage.

Marketing Yourself Successfully: Learn how to create your personal brand that will give you consistency and confidence as you market yourself to employers.

Organization & Time Management: Learn skills for staying organized and better manage you time.

Resume Workshops: The overview provides a high-level view of resume strategies and intensives offer an opportunity for in-depth exploration of specific resume concepts with hands-on exercises built in to practice skills.

Resume/Cover letter Lab: This is an in-person working lab for writing your professional documents and receiving with staff feedback.

Self-Care for Balance: Reclaim your life by creating space for the things you enjoy. Learn the keys for a more balanced life.

Selling Your Soft-Skills to Employers: Employers are making hiring decisions based on the soft-skills. Learn what soft-skills look like on the job and how to communicate them to employers.

Take Control of Your Life: Understand what is, and what isn't, within our control. Discover strategies that can give you a greater sense of control in your life.

Teamwork & Collaboration: Learn skills for responding positively to feedback, dealing with difficult people and strategies to build strong relationships at work!
