Exhibit A1
SPECIFICATIONS/SCOPE OF WORK

I. WORK TO BE COMPLETED BY THE SUBRECIPIENT:

The following provisions outline the scope of the work to be completed: The SubRecipient will utilize CDBG funding for salaries and benefits of a manager and administrative/warehouse assistant to staff the Adams County Food Pantry (ACFP) serving between 150 to 200 food-insecure households per day. During the one-year scope of the project it is anticipated that upwards of 7,400 Adams County resident families (unduplicated) and 25,800 individual family members (unduplicated) will be served. ACFP has established a food distribution goal of 1.5 million pounds between 1 Jul 2012 thru 30 Jun 2013.

The Catalog of Federal Domestic Assistance (CFDA) number for this project is: CFDA 14.218

A. Payment

Drawdowns for the payment of eligible expenses shall be made against the line item budgets specified in the Project Budget and in accordance with performance criteria established in the scope of work.

The County expressly recognizes that the SubRecipient is to be paid with CDBG funds received from the federal government, and that the obligation of the County to make payment to SubRecipient is contingent upon receipt of such funds.

In the event that said funds, or any part thereof, are, or become, unavailable, then the County may immediately terminate or, amend this agreement. To the extent C.R.S. § 29-1-110 is applicable any financial obligation of the County to the SubRecipient during the current fiscal year, is also contingent upon adequate funds being appropriated, budgeted and otherwise available.

Upon expiration of this Agreement, as identified in the SubRecipient's schedule of completion **Attachment A3**, the SubRecipient shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. These transferred funds shall revert to the County and be utilized for other purposes.

B. Reimbursement for Expenses

The SubRecipient agrees that before the County can distribute any CDBG funds to it, the SubRecipient must submit to the County's Community Development Department documentation in the form required by that Department which properly and fully identifies the amount which the SubRecipient is requesting at that time. The County shall have ten (10) working days to review the request. Upon approval of the request, the County will distribute the requested funds to the SubRecipient as soon as possible.

C. Timeline

All Project activities will be completed, and draw requests submitted, by June 30, 2013, unless the SubRecipient notifies the County in writing thirty (30) days prior to the above mentioned date that the project cannot be completed, and all draw requests submitted, until **45 days after the contract end date**.

D. Performance Criteria

In accordance with the funding application submitted by the SubRecipient for the Project, the criteria listed below are to be met during the execution of the Project.

- (a). Quantifiable Goals: The SubRecipient will utilize CDBG funding for project and construction in accordance with applicable industry and local codes and standards, as well as, the Americans with Disabilities Act (ADA).
- (b). Quarterly Performance Standards: Quarterly performance standard will be required.

E. Environmental Review:

Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute a commitment of funds or site approval, and that such commitment of funds or approval may occur only upon satisfactory completion of environmental review and receipt by Adams County of a release of funds from the U.S. Department of Housing and Urban Development under 24 CFR Part 58; Sections 58.5, 58.34(a)(1-10); 58.35(a); and 58.36 through 58.45. The parties further agree that the provision of any funds to the project is conditioned on Adams County's determination to proceed with, modify, or cancel the project based on the results of a subsequent environmental review.

F. Reversion of Assets:

Any real property under the SubRecipient's control that was acquired or improved in whole or in part with CDBG funds in excess of \$5,000, including CDBG funds provided to the SubRecipient in the form of a loan shall returned to Adams County.

Should extensive renovations which would require the SubRecipient to discontinue usage of the property for more than forty-five (45) consecutive calendar days be necessary during the occupancy period, the SubRecipient may request a waiver from the County for the continuous usage requirement.

The waiver is to be requested in writing no less than thirty (30) calendar days prior to the anticipated date of discontinued usage. If the facility is no longer utilized continuously by the SubRecipient for the purpose of meeting one of the national objectives in 24 CFR Part 570.208 for a period of no less than five (5) calendar years from the initial date of improvement, then the SubRecipient shall notify the County in writing no less than thirty (30) calendar days prior to the anticipated date of discontinued usage.

II. RESPONSIBILITIES OF THE COUNTY

A. Administrative Control

The SubRecipient recognize and understand that the County will be the governmental entity required to execute all grant agreements received from HUD pursuant to the County's requests for CDBG funds. Accordingly, the SubRecipient agrees that as to its projects or activities performed or conducted under any CDBG agreement, the County shall have the necessary administrative control required to meet HUD requirements.

B. Performance and Compliance Monitoring

The County's administrative obligations to the SubRecipient pursuant to paragraph A above shall be limited to the performance of the administrative tasks necessary to make CDBG funds available to the SubRecipient and to provide Community Development staff whose job it will be

to monitor the various projects funded with CDBG monies to monitor compliance with applicable Federal laws and regulations.

C. Reporting to HUD

The County will be responsible for seeing that all necessary reports and information required of the County are filed with HUD and other applicable Federal agencies in a timely fashion.

III. RESPONSIBILITIES OF THE SUBRECIPIENT

A. Federal Compliance

The SubRecipient shall comply with all applicable federal laws, regulations and requirements, and all provisions of the grant agreements received from the U.S. Department of Housing and Urban Development (HUD) by the County. These include but are not limited to compliance with the provisions of the Housing and Community Development Act of 1974 and all rules, regulations, guidelines and circulars promulgated by the various federal departments, agencies, administrations and commissions relating to the CDBG and CDBG-R Programs. A listing of some of the applicable laws and regulations are as follows:

1. 24 CFR Part 570;

 10. Cost principles established in OMB Circulars A-87 and A-122.
 11. Conflict of Interest:
 - a) Applicability.
 - (1) In the procurement of supplies, equipment, construction, and services by the County and by the SubRecipient, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively shall apply.
 - (2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of 24 CFR 570.611 (2) shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the County or by its SubRecipient to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to 24 CFR

570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to 24 CFR 570.203, 570.204, 570.455, or 570.703 (i)).

- b) *Conflicts prohibited.* The general rule is that persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may not obtain a financial interest or benefit from a CDBG assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter.
- c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the County, or any designated public agencies, or of the SubRecipient that are receiving funds under this part.
- d) *Exceptions.* Upon the written request of the County, HUD may grant an exception to the provisions of paragraph (b) of this section on a case- by case basis when it has satisfactorily met the threshold requirements of d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

(1) *Threshold requirements.* HUD will consider an exception only after the County has provided the following documentation:

- i. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
- ii. An opinion of the County's attorney that the interest for which the exemption is sought would not violate State or local law.

(2) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the County has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the County's program or project, taking into account the following factors, as applicable:

- i. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- ii. Whether an opportunity was provided for open competitive bidding or negotiation;
- iii. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- iv. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;

- v. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;
- vi. Whether undue hardship will result either to the County or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
- vii. Any other relevant considerations.

12. The SubRecipient cannot engage in a federally funded contract with any entity registered in the Lists of Parties Excluded From Federal Procurement or Non-Procurement Programs.

B. Non-Appropriations Clause

The SubRecipient agrees that it will include in every contract it enters, which relies upon CDBG monies for funding, a non-appropriation clause that will protect the County from any liability or responsibility or any suit which might result from the discontinuance of CDBG funding for any reason. Because this SubRecipient Agreement involves funds from a federal grant, to the extent there is a conflict the funding provisions of this SubRecipient Agreement, the federal grant and the federal statutes control rather than the provisions of Section 24-91-103.6, C.R.S. with regard to any public work projects.

C. Expenditure Restrictions

All CDBG funds that are approved by HUD for expenditure under the County's grant agreement, including those that are identified for the SubRecipient's Projects and activities, shall be allocated to the specific projects and activities described and listed in **Attachments A1-A3**. The allocated funds shall be used and expended only for the projects and activities for which the funds are identified.

D. Agreement Changes

No projects, activities, or the amount allocated shall be changed without approval by the County.

E. Direct Project Supervision and Administration

The SubRecipient shall be responsible for the direct supervision and administration of its respective projects or activities. This task shall be accomplished through the use of the SubRecipient's staff, agency and employees. The SubRecipient shall be responsible for any injury to persons or damage to property resulting from the negligent acts or errors and omissions of its staff, agents and employees. Because the SubRecipient is responsible for the direct supervision and administration of its projects or activities, the County shall not be liable or responsible for cost overruns by the SubRecipient on any projects or activities.

The County shall have no duty or obligation to provide any additional funding to the SubRecipient if its projects or activities cannot be completed with the funds allocated by the County to the SubRecipient. Any cost overruns shall be the sole responsibility of the SubRecipient.

1. The SubRecipient agrees that all funds allocated to it for approved projects or activities shall be used solely for the purposes approved by the County. Said funds shall not be used for any non-approved purposes.

2. The SubRecipient agrees that the funds allocated for any approved projects or activities shall be sufficient to complete said projects or activities without any additional CDBG funding.

F. Real Property

Real property acquired in whole or in part with CDBG funds shall be utilized in accordance with the scope and goals identified in Sections I and II of this Agreement. Should the property in question be sold or otherwise disposed of, or the approved property usage discontinued, the SubRecipient shall adhere to the requirements of 24 CFR Parts 84 or 85 (as applicable) regarding the use and disposition of real property.

G. State and County Law Compliance

All responsibilities of the SubRecipient enumerated herein shall be subject to applicable State statutes and County ordinances, resolutions, rules, and regulations.

H. Subcontracts

If subcontracts are used on the Project, the SubRecipient agrees that the provisions of this Agreement shall apply to any subcontract.

I. The SubRecipient certifies that to the best of its knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement; and,
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

J. Disallowance

If it is determined by HUD or other federal agency that the expenditure, in whole or in part, for the SubRecipient's Project or activity was improper, inappropriate or ineligible for reimbursement, then the SubRecipient shall reimburse the County to the full extent of the disallowance.

IV. MINORITY AND WOMEN OWNED BUSINESS PARTICIPATION

1. The County's Board of Commissioners has set an overall goal of 20% Minority Business Enterprise (MBE) and 6% Women Business Enterprise (MBE) participation in the procurement of supplies and services. SubRecipient is encouraged to present a team approach that meets or exceeds goals.
2. SubRecipient must encourage and consider subcontracting portions of the work to firms owned and controlled by socially and economically disadvantaged individuals.

V. SECTION 3 COMPLIANCE – Job Training, Employment and Contracting Opportunities for Low-Income Persons

1. The work to be performed under the agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purposes of Section 3 is to ensure that employment and other economic opportunities generated by HUD–assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
2. The SubRecipient agrees to comply with HUD’s regulations in 24 CFR part 135, which implements Section 3. As evidenced by its execution of the agreement, the SubRecipient certifies that it is under no contractual or other impediment that would prevent it from complying with the 24 CFR part 135 regulations.
3. The SubRecipient agrees to send to each labor organization or representative of workers with which the SubRecipient has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers’ representative of the SubRecipient’s commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions’ and the anticipated date the work shall begin.
4. The SubRecipient agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that subcontractor is in violation of the regulations in 24 CFR part 135. The SubRecipient will not subcontract with any subcontractor where the SubRecipient has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The SubRecipient will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor’s obligations under 24 CFR part 135.
6. Noncompliance with HUD’s regulations in 24 CFR part 135 may result in sanctions, termination of the contract for default, and debarment or suspension from future HUD assisted contracts.
7. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under the contract. Section 7(b) requires that to the extent feasible (i) preference and opportunities for training and employment shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to the agreement that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(i)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part

of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i). This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under 29 CFR 5.5 (a)(3)(i) and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll

period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the

journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(II) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(III) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 of this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (I) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(II) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(III) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable only where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subpara-

graph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable only where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, 40 USC 3701 et seq.

(3) The Contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The Contractor shall take such action with respect to any subcontract as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.
