Dear Ms. Casteel:

I am writing in response to your letter dated January 4, 2013 requesting Adams County Housing Authority's (ACHA) Best and Final Offer in response to Adams County's Request for Proposal 2012.226 Case Management Services for Temporary Assistance for Needy Families (TANF) Housing and Domestic Violence.

Thank you for the opportunity to respond to the Evaluation Committee's request for additional information.

1. Yes, ACHA can provide TANF Housing services if awarded \$130,000 for the base year and \$130,000 for two additional years totaling \$390,000 over three years.

Unfortunately, with a static amount awarded each year the number of clients we can serve through this funding will decrease each year as Base Services (employee health care and other benefit costs) and Direct Assistance (rents) costs will increase each year.

Base Year: 1,305 families or 4,248 individuals. Direct Assistance will be limited to 70 families. Year Two: 1,107 families or 3,099 individuals. Direct Assistance will be limited to 67 families. Year Three: 907 families or 2,539 individuals. Direct Assistance will be limited to 64 families.

We have included a revised Fee Schedule reflecting the \$130,000 per year for three years funding amount.

Should you have any questions regarding our response please contact ACHA's Grants Manager, Jennifer Nelson-Petty at 303.227.2087 or jpetty@achaco.com.

Dear Ms. Casteel:

I am writing in response to your letter dated November 13, 2012 requesting Adams County Housing Authority's (ACHA)Best and Final Offer in response to Adams County's Request for Proposal 2012.226 Case Management Services for Temporary Assistance for Needy Families (TANF) Housing and Domestic Violence.

Thank you for the opportunity to respond to the Evaluation Committee's request for additional information.

	through this funding source.	

Please note we have only requested approximately 35% of the funds for case management and case management supervision because it does not include operational shelter costs, as well as approximately 39% for direct assistance and approximately 25% for contingency funds.

3.

The homeless prevention services described in ACHA's submitted proposal will be available to all eligible Adams County residents including residents of Brighton, Northglenn, Westminster and Thornton.

ACHA is able to provide hotel vouchers for emergency shelter but did not submit a request for those funds in our original proposal. Low Income Family Empowerment, ACHA's subsidiary 501(c)(3) serves as the fiscal agent for Cold Weather Care, an emergency shelter that operates during the winter months. However, ACHA does not directly provide emergency shelter or a direct transitional housing program. We do work on a weekly basis with the non-profit shelters in the community including Almost Home in Brighton, ACCESS Housing in Commerce City, Growing Home in Westminster, and Alternatives to Family Violence in Commerce City as well as the Adams County Human Services to provide first month's rent and deposit with TANF funding for those transitioning from a shelter or transitional housing program to permanent housing.

We have included Attachment B for each of the increments listed in question 2. For each of the increments we will provide invoice billing as well as provide services during Adams County Government's normal work hours, excluding holidays.

We appreciate Adams County's high standards and the thoroughness of the review process. Should you have any questions regarding our response please contact ACHA's Grants Manager, Jennifer Nelson-Petty at 303.227.2087 or jpetty@achaco.com.

Sincerely,

Chris Shaffner

TANF Proposal

Organizational Experience:

Summary of Organizational Budget

ACHA's 2012 organizational budget includes \$25.6 million in revenue, \$10 million of which is earned income from 14 owned and managed multi-family housing communities. The operating expense side of the budget totals \$23.5 million, including \$6.7 million for operating expenses of properties. ACHA's HUD-funded Section 8 program accounts for approximately \$11 million of annual revenue and expense.

Mission

Adams County Housing Authority serves county residents for whom conventional housing is unaffordable. We assist individuals, families, seniors and persons with disabilities throughout all of Adams County, including the rural and unincorporated areas. Our goal is to provide these households with quality, affordable housing options while supporting their efforts to achieve economic self-sufficiency.

History

A special meeting of the Adams County Board of County Commissioners was held on July 1, 1974 to authorize the creation of a Public Housing Authority, pursuant to Article 69-6 CRS 1963, as amended. ACHA was officially organized and incorporated on November 20, 1974, as authorized by Colorado Statute § 29-4-501. ACHA has been a HUD-approved Housing Counseling agency since 1978 and is the only HUD-approved counseling agency that serves the entire county.

In 1980, ACHA began an aggressive program to develop new affordable housing in Adams County with the purchase of the Della Villa Apartments (now called Orchard Crossing) in the City of Westminster. Since that first acquisition, ACHA has purchased or has been part of the development of 17 other properties. Today ACHA owns nearly 1,251 units of affordable rental housing. This portfolio ranges from units that serve the elderly and disabled populations to family-oriented apartment communities. Less than 5% of ACHA's portfolio is subject to federally subsidized Public Housing programs. The balance of ACHA's portfolio has been developed during the last 15 years using various financing packages that include the following: issuance of mortgage revenue tax-exempt bonds, 4% and 9% low-income housing tax credit programs (LIHTC), Community Development Block Grants (CDBG), HOME Investment Partnership and conventional mortgage financing products.

In 1992, ACHA began a homeownership program. This program provides educational workshops for first-time homebuyers and down payment assistance. This program has

educated over 4,012 individuals and provided down payment assistance to over 505 households in Adams County.

ACHA currently owns and manages 42 units of public housing and administers over 1,384 Section 8 Housing Choice Vouchers for county residents.

A staff of 78 operates in six departments, caring for nearly 15,000 residents who live in ACHA owned, developed or administered housing units or who are accessing program services.

Current Agency Organizational Chart

Please see Appendix H

Easily Accessible Location

ACHA offices are located in the Adams County Human Services building at the corner of E. 72nd Avenue and Colorado Boulevard in Commerce City. The Human Services building is accessible to clients traveling by public transportation; active bus routes operate on both 72nd and Colorado and a bus stop is located immediately to the north of the building. A large parking lot with hundreds of spaces includes numerous handicapped spaces adjacent to the building. There is also a drop-off area in front of the building for those traveling by Access-A-Ride or other services for the elderly or disabled.

The Housing Authority is located in an office that is accessible to persons with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and regulations 24 CFR parts 8 and 9, and Title III of the Americans with Disabilities Act. When additional assistance is needed, ACHA coordinates with community organizations dedicated to servicing persons with disabilities to provide transportation and other services in response to requests for reasonable accommodations. ACHA's counseling services comply with the effective communication requirements under these laws. ACHA also partners with nonprofits and human service agencies that specifically serve persons with disabilities to assist their clients in securing suitable affordable housing.

Staff Capacity, Organizational Expertise, Infrastructure

ACHA's Housing Counseling department has the capacity at both the counselor and director level to staff the TANF program. ACHA plans to utilize the same staff who are currently operating the Housing Assistance Program using TANF funding to continue providing these services. Additionally, ACHA has experience managing complex government grants. ACHA utilizes Yardi financial software for accounting and has

extensive experience managing data in CounselorMax; both of these tools will be used to manage this TANF program.

Location Served

ACHA, through this TANF program, will serve the entirety of Adams County including residents of the County's nine municipalities and unincorporated areas. All Adams County residents with need for this program shall be invited to participate; those who have demonstrated need and qualify will be served by the program.

Housing Programs:

As mentioned previously, ACHA has provided housing services to low-income residents of Adams County for the past 38 years. ACHA staff members are knowledgeable regarding the community in general, other housing programs, and low-income families. ACHA serves nearly 15,000 low-income residents annually through its nine affordable housing apartment complexes and educational and housing counseling programs. ACHA is the leading expert regarding affordable housing and housing services in Adams County.

ACHA partners with numerous human service agencies and serves on the Adams County Homeless 2 Home Partnership and Blue Ribbon Commission to Address Homelessness. ACHA's partners include: Adams County Human Services, ACCESS Housing, Growing Home, and Almost Home. ACHA's subsidiary nonprofit, Low Income Family Empowerment, has worked with the same human service agencies and the faith community to establish and operate the Cold Weather Care emergency shelter program. ACHA staff members are very familiar with the services offered by other human service agencies and provide accurate information and referrals to clients needing additional services.

Domestic Violence Programs:

The Adams County Housing Authority is committed to making direct referrals of clients in need of domestic violence services including access to a domestic violence shelter and domestic violence counseling including counseling for children to appropriate agencies. The Adams County Housing Authority does not offer a domestic violence shelter or domestic violence counseling but will strategically partner with existing agencies as needed for the successful administration of this program.

Comparable Projects:

The Adams County Housing Authority, located at 7190 Colorado Blvd., Suite 600 Commerce City, Colorado, has provided rental counseling services as listed in this proposal's scope of work for more than 20 years. ACHA's current TANF based Rental and Utility Assistance Program is a comparable project to this proposal. The budget for the 2011 program year was approximately \$200,000 in revenue. This included \$125,000 in direct payments to clients and \$75,000 in direct administration costs. ACHA's 2011 TANF based Housing Assistance Program served approximately 210 clients. In addition to serving clients with direct financial assistance, ACHA also hosts 45 housing assistance workshops throughout the year designed to teach clients about their rights, responsibilities and opportunities as a tenant. These workshops provide clients with an opportunity to learn how to best qualify and receive direct financial assistance from our housing assistance program.

The average monthly caseload size for the TANF Housing Assistance Program is 15-20 clients per month with approximately nine clients a month receiving direct financial assistance. The average financial assistance given to clients through the TANF Contingency Funding program has been approximately \$1,416 per client over the past six years. The average financial assistance given to clients through the TANF Housing Assistance Program has been \$943 per client over the past six years. ACHA offers additional services to clients including utilities assistance under the Energy Outreach Colorado Grant. Home owning clients are offered foreclosure prevention services. All housing counseling clients are provided local resources, financial education and counseling.

Demographics and other descriptors of the population served.

The Adams County Housing Authority collects an extensive set of demographic data from each and every client served. Attached in Appendix F we have provided a sample of the data we collect on each client. Below you will find a sample graph of the race demographic data on clients served by the Adams County Housing Authority's Housing Assistance program. Upon award of the contract, ACHA will work with Adams County to develop a monthly report to include the demographic data requested. This report could include each of the data fields we collect or may include only a small number of these data fields. ACHA places a strong emphasis on data collection and integrity. Our Client Management System allows our counselors to input a vast amount of data as well as easily tracks our client's progress through our programs.
