

PURCHASE OF SERVICE AGREEMENT

THIS AGREEMENT ("Agreement") is made this 14th day of April 2014, by and between the Adams County Board of County Commissioners, located at 4430 South Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and Glaser Electric Company, LLC, located at 12525 East Jamison Place, Box 8, Englewood, CO 80112-4533 hereinafter referred to as the "Contractor." 8.4.2. This insurance requirement applies only to Contractors who are performing services under this Agreement as professionals licensed under the laws of the State of Colorado, such as physicians, lawyers, engineers, nurses, mental health providers, and any other licensed professionals.

8.5. Adams County as "Additional Insured": The Contractor's commercial general liability, comprehensive automobile liability, and professional liability insurance policies and/or certificates of insurance shall be issued to include Adams County as an "additional insured" and shall include the following provisions:

8.5.1. Underwriters shall have no right of recovery or subrogation against the County, it being the intent of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses resulting from the actions or negligence of the Contractor.

8.5.2. The insurance companies issuing the policy or policies shall have no recourse against the County for payment of any premiums due or for any assessments under any form of any policy.

8.5.3. Any and all deductibles contained in any insurance policy shall be assumed by and at the sole risk of the Contractor.

8.6. Licensed Insurers: All insurers of the Contractor must be licensed or approved to do business in the State of Colorado. Upon failure of the Contractor to furnish, deliver and/or maintain such insurance as provided herein, this Agreement, at the election of the County, may be immediately declared suspended, discontinued, or terminated. Failure of the Contractor in obtaining and/or maintaining any required insurance shall not relieve the Contractor from any liability under this Agreement, nor shall the insurance requirements be construed to conflict with the obligations of the Contractor concerning indemnification.

8.7. Endorsement: Each insurance policy herein required shall be endorsed to state that coverage shall not be suspended, voided, or canceled without thirty (30) days prior written notice by certified mail, return receipt requested, to the County.

have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

- 9.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party, which notice shall be given at least thirty (30) days prior to the effective date of the termination. If this Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

10. MUTUAL UNDERSTANDINGS:

- 10.1. Jurisdiction and Venue: The laws of the State of Colorado shall govern as to the interpretation, validity, and effect of this Agreement. The parties agree that jurisdiction and venue for any disputes arising under this Agreement shall be with Adams County, Colorado.
- 10.2. Compliance with Laws: During the performance of this Agreement, the Contractor agrees to strictly adhere to all applicable federal, state, and local laws, rules and regulations, including all licensing and permit requirements. The parties hereto aver that they are familiar with § 18-8-301, et seq., C.R.S. (Bribery and Corrupt Influences), as amended, and § 18-8-401, et seq., C.R.S. - 10.3. OSHA: Contractor shall comply with the requirements of the Occupational Safety and Health Act (OSHA) and shall review and comply with the County's safety regulations while on any County property. Failure to comply with any applicable federal, state or local law, rule, or regulation shall give the County the right to terminate this agreement for cause.
- 10.4. Record Retention: The Contractor shall maintain records and documentation of the services provided under this Agreement, including fiscal records, and shall retain the records for a period of three (3) years from the date this Agreement is terminated. Said records and documents shall be subject at all reasonable times to inspection, review, or audit by authorized Federal, State, or County personnel.
- 10.5. Assign Ability: Neither this Agreement, nor any rights hereunder, in whole or in part, shall be assignable or otherwise transferable by the Contractor without the prior written consent of the County.
- 10.6. Waiver: Waiver of strict performance or the breach of any provision of this Agreement shall not be deemed a waiver, nor shall it prejudice the waiving party's right to require strict performance of the same provision, or any other provision in the future, unless such waiver has rendered future performance commercially impossible.

10.7. Force Majeure: Neither party shall be liable for any delay or failure to perform its obligations hereunder to the extent that such delay or failure is caused by a force or event beyond the control of such party including, without limitation, war, embargoes, strikes, governmental restrictions, riots, fires, floods, earthquakes, or other acts of God.

10.8. Notice: Any notices given under this Agreement are deemed to have been received and to be effective: (1) Three (3) days after the same shall have been mailed by certified mail, return receipt requested; (2) Immediately upon hand delivery; or (3) Immediately upon receipt of confirmation that an E-mail was received. Attention: Kurt Carlson (Project Manager)

Subject: Cost Proposal for New Electrical Emergency Service

Dear Mr. Carlson,

This letter will serve to provide your office with a formal and estimate for a new electrical Service at the Adams County Fairgrounds. For the scope we understand the cost is \$223,922.00. Supporting documents are attached.

It is now understood that parts, fuses, and factory support are no longer available for the existing switchgear. See attached a formal estimate that was drafted in coordination with (ESC) an electrical engineering firm in Fort Collins. We have designed the new service to complete the loop that the prior phase (just completed) will tie into. This gives the flexibility to feed from either direction which is common in the industry. We have found the new switches and cable in stock in the USA ready to ship.

Some notes that are associated with the new service are:

1. The estimated costs include labor, material, direct job expense and directional boring subcontractor
2. The Bond is not included (add 1.5%)
3. Engineering support with stamped one line drawings
4. Coordinate only new primary meter equipment required by United Power
5. New single point fused disconnect required by United Power (with lightning arrestors)
6. Two new PMH 9 switches to complete the loop and the fused bays to pick up the local dome, exhibit and network transformers, and shop.
7. New Bore Circuit to the Arena area PMH 9 switch
8. New Bore circuit to the recent installed PMH 13 switch
9. Asphalt work at the new service location and the arena tie in
10. Ground grid work at the new service area
11. Two to three day outage for the service work
12. One to two day outage for the local loads
13. One unknown circuit to be identified
14. Leave the existing lineup in place with the fuse bays removed and the network transformers to remain connected in place
15. The new equipment will be installed west of the existing lineup
16. The golf transformer work is not included

If you have any further questions you may reach me at the Denver Construction phone #720-635-1865.
