FUTURE DEVELOPMENT, ENTITLEMENTS

DYNAMICS | *Current Land Allocation and Projected Growth by Decade*

**Average of High/Low projections of Development Program*

DYNAMICS | *Agricultural Market Study*

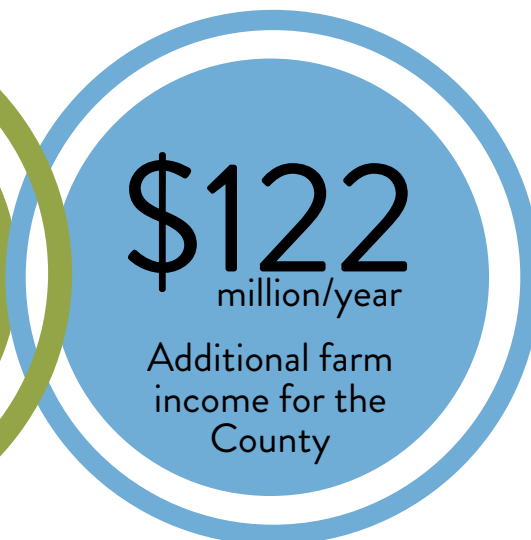

- Create local jobs
- Support local farms
- Promote self-reliance
- Boost local revenue
- Increase availability of farm fresh food

Food consumption for Brighton households. Only 10% comes from local producers.

Food consumption for Adams County households.

The Regional Leader for the Northeast Metro Area

Serve as the gateway to Denver and to the Great Plains, especially for the agribusiness and industrial markets.

A Sustainable + Complete Community

Direct growth away from the river corridor and environmentally sensitive lands for disaster resiliency, greenways and natural area opportunities, and biodiversity.

Inclusive Community Where We Collaborate + Share

Development design should strive for local authenticity and excellence.

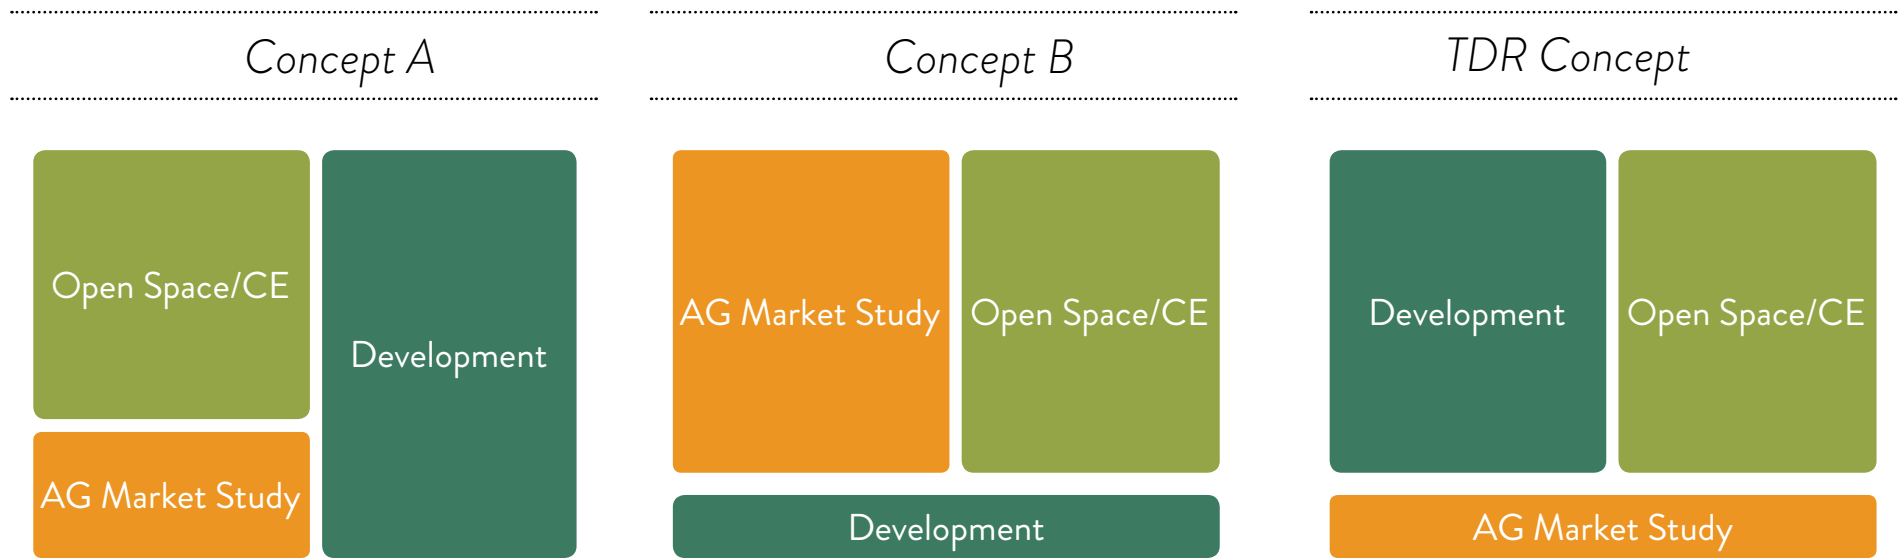

A Future Rooted + Growing in a Shared Heritage + Home Town Feel

Cultivate Brighton's heritage as a farming community and as a great place to live, work, learn, and play.

Embrace changes that strengthen our quality of life by encouraging new, high-quality urban development that responds to the unique character of Brighton.

Leverage the agricultural economy and continue to serve as the regional hub for growers, processors, and storage.
