**ADAMS COUNTY**  
COLORADO

# Project Team

- **Gordon Stevens, County Construction Manager**
- **Lance Langan, County Inspector**
- **Mark McDonald, County Project Engineer**
- **Dave Keefe Jr., Project Manager**

# Where, When and Why

## Where?

- 96<sup>th</sup> Avenue over Bijou Creek, between Behrens Road and Rector-Leader Road, 15 miles north-northeast of Byers, CO

## When?

- April 5 – June 2021
- Mondays – Fridays 7 a.m. – 7 p.m.
- Occasional Saturday work is possible

## Why?

- Phase 2 will focus on improving the superstructure (top of the bridge) to increase the safety and long-term strength of the bridge

# What can I expect?

## **Notification**

- Paper and/or digital flyer was distributed prior to the project starting

## **Traffic impacts**

- Full closure of the bridge during construction from April - June
- Detour around the work site
  - Detour information will be posted on the project website and on the next slide
- Possible delays
- Occasional weekend work may be possible

# Detour Options

## Option 1

- Detour around the work site using the formal signed detour
  - Behrens Road → E 72<sup>nd</sup> Ave → Calhoun-Byers Rd → Highway 36
  - Rector-Leader Road → Highway 36
  - Note: These detours will add approx. 18 miles in each direction to your trip

## Option 2

- Temporary bypass road on south side of the bridge
  - Gravel road with limited maintenance

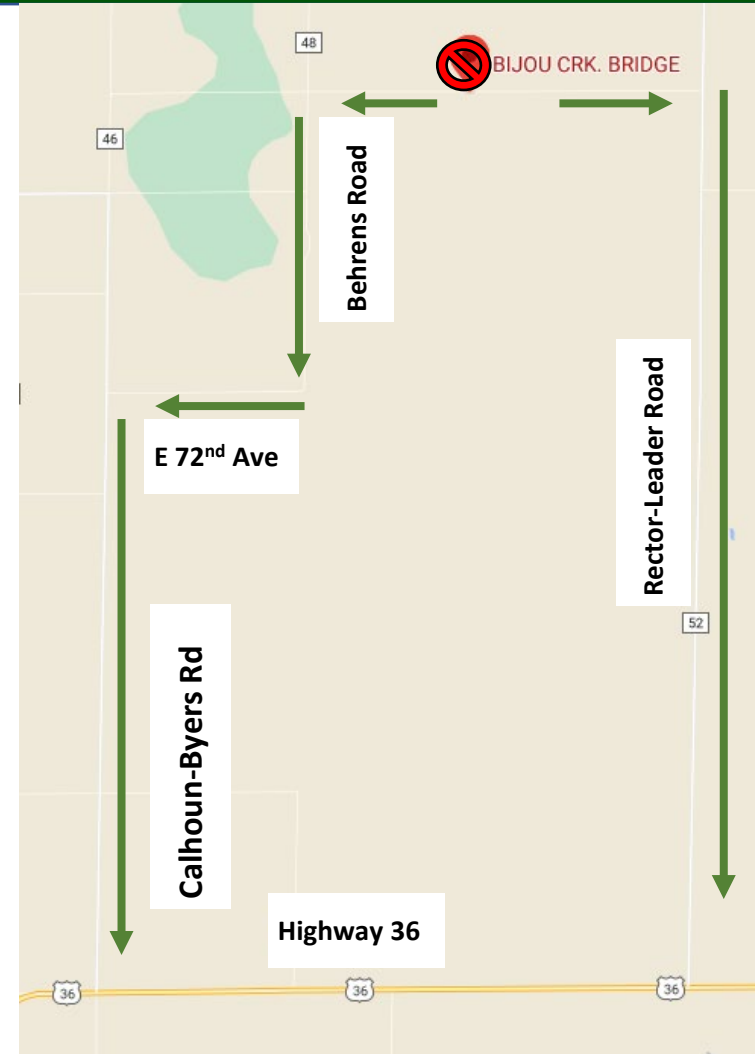

**ADAMS COUNTY**  
COLORADO

# Detour Option 1- Closer Look

**Behrens Road → E 72<sup>nd</sup> Ave  
→ Calhoun-Byers Rd → Highway 36**

**Rector-Leader Road → Highway 36**

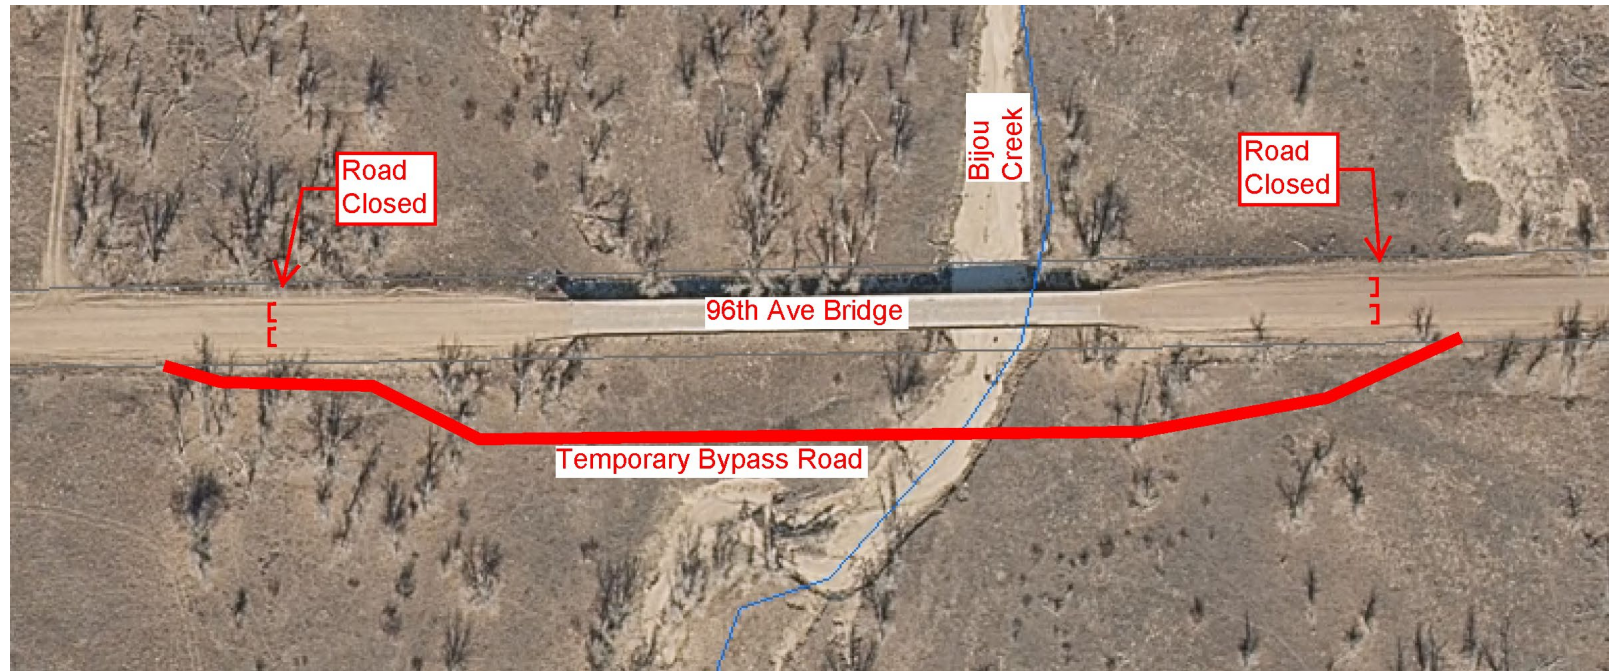

**ADAMS COUNTY**  
COLORADO

# Detour Option 2- Closer Look

Temporary bypass road on south side of the bridge

Gravel road with limited maintenance
