CHERRYLANE METROPOLITAN DISTRICT
2021 BUDGET MESSAGE

Cherrylane Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting.

Budget Strategy

The District was formed to provide for all or part of the Public Improvements, as defined in the District's Service Plan, for the use and benefit of all inhabitants and taxpayers of the District. The primary purpose of the district is to finance the construction of these Public Improvements.

Revenues

In 2021 the District will impose a mill levy of 15.000 mills that will generate property tax revenue to cover General Fund expenditures. This mill levy when combined with the beginning fund balance is budgeted to be sufficient to provide for administrative and operation expenditures for the budget year. The District will also impose a mill levy of 50 mills, adjusted per the Gallagher Amendment to 55.664 mills that will generate property tax revenue to fund debt service payments and fund the surplus fund related to tax exempt bonds issued in 2018 to pay for public infrastructure.

Expenditures

The District has adopted two separate funds: 1) a General Fund to provide for general operating expenditures and; 2) a Debt Service Fund to provide for debt service on debt issued by the District in.

The District has provided for an Emergency Reserve Fund in the amount of 3% of the total fiscal year expenditures in the General Fund in accordance with the TABOR Amendment.
