Mr. Montoya,

I am writing to express our support for the Welby Subarea Plan. I would like to thank you for providing us an opportunity to participate in the collaborative discussions to date. While we have not physically attended the community meetings, our Planning Department has followed the progress thanks to your meeting notifications and the Welby Subarea Plan website.

A portion of the plan does fall within the Adams 12 Five Star Schools boundaries and we are hopeful that the plan will facilitate rehabilitation and redevelopment of the area. We support the plans efforts to provide much-needed additional investment and services to the community.

We look forward to continuing our positive relationship with Adams County Planning and Development and the Welby community in relation to this plan. We are eager to watch this plan progress. Please continue to keep us apprised of plan.

Sincerely,

Robert K. Webber  
Chief Operating Officer
