ANIMAL SHELTER

OFF-SITE PET VACCINATION AND MICROCHIP CLINIC

FRIDAY, JULY 23, 8 - 9:30 A.M.

FREE

ANYTHINK WRIGHT FARMS
5877 E. 120TH AVE., THORNTON, CO 80602

The following vaccinations and services will be available and free of charge to the first **50** pets.

CATS

- ■ ■ RABIES (one year)
- ■ ■ DISTEMPER/PANLEUKOPENIA (FVRCP)

DOGS

- ■ ■ RABIES (one year)
- ■ ■ DISTEMPER/PARVO
- ■ ■ BORDETELLA

MICROCHIPS

- ■ ■ MICROCHIPS

What to expect/Items to note:

- 🐾 Please do not bring ill pets to the clinic – especially if they're young puppies that have vomited, had severe diarrhea, and have not had an appetite within the last three days.
- 🐾 Please keep your pets safe and ensure your dog is leashed and/or cat is in a carrier.
- 🐾 A current vaccination record for your pet(s) isn't required but is helpful to ensure they receive the correct vaccinations, especially for puppies and kittens.

🐾 Vaccinations take a few days to a few weeks to become effective. Keeping pets from interacting with other animals will help safeguard them in the meantime.

If your pet is lost and found your city's Animal Control Department, local shelter, or veterinary clinic can scan your pet's microchip to help find you. Microchipping your pet is one of the simplest ways to help bring your pet home to you.
