

South Platte River Trail Closure-- 104th Avenue to McKay Road

The South Platte River Trail between 104th Avenue and McKay Road is closed indefinitely due to significant flooding damage. There is no time estimate for when the trail will be re-opened. While this trail segment is closed, trail users can access the trail at the South Platte River Trailhead located at 88th Avenue and Colorado Boulevard.

For additional information, please contact Adams County Parks & Open Space at (303) 637-8000.
